In the latter instances, MiFID II requires certain information on clients to be obtained and formally assessed in order to ensure such suitability and appropriateness; to satisfy this requirement, we have designed tests ("**Suitability Test and Test of Appropriateness**"), which we will apply to clients before providing investment services, depending on:

CLIENT CATEGORIZATION UNDER MIFID II

The Directive of the European Parliament and of the Council of 21 April 2004 on Markets in Financial Instruments (hereinafter referred to as the “**Markets in Financial Instruments Directive**” or “**MIFID II**”) establishes a client categorization/classification regime in three (3) categories intended to reflect both customers’ level of knowledge and experience in the financial markets and their ability to understand and take on the risks arising from their investment decisions, in order to adapt protective measures to the particularities of each category of investor. In compliance with such requirements imposed under ‘**MiFID II**’, we categorize/classify our clients in three (3) main categories:

Eligible Counterpart(y)ies (“ECP(s)”): An “Eligible Counterparty” is any of the following entities to which an investment firm provides the services of reception and transmission of orders on behalf of Clients and/or execution of such orders and/or dealing on own account: Cyprus Investment Firm / Greek Investment Firm, other investment firms from other Member States, credit institutions, insurance companies, UCITS and their management companies, Portfolio Investment Companies, pension funds and their management companies and other financial institutions authorised by a Member State or regulated under Community legislation or the national law of a Member State, undertakings exempted from the application of the Investment Services and Activities and Regulated Markets Law 87(I) of 2017 in accordance with paragraphs (k) and (l) of subsection (2) of section 3, national governments and their corresponding offices, including public bodies that deal with public debt, central banks and supranational organizations.

Professional clients: A “Professional Client” is a Client who possesses the experience, knowledge and expertise to make his own investment decisions and properly assess the risks that he incurs. In order to be considered a professional Client, a Client must comply with one of the following criteria:

- a. Entities which are required to be authorised or regulated to operate in the financial markets.
The list below should be understood as including all authorised entities carrying out the characteristic activities of the entities mentioned: entities authorised by a Member State under the above Directive, entities authorised or regulated by a Member State without reference to the above Directive, and entities authorised or regulated by a non-Member State:
 - i. Credit Institutions;
 - ii. Investment Firms;
 - iii. Other Authorised or regulated financial institutions;
 - iv. Insurance Companies;
 - v. Collective Investment Schemes and management companies of such schemes;
 - vi. Pension funds and management companies of such funds;
 - vii. Commodities and commodity derivatives dealers;
 - viii. Locals;
 - ix. Other Institutional Investors (like Portfolio Investment Companies).
- b. Large undertakings meeting two of the following size requirements on a company basis:

- i. balance sheet total: EUR 20.000.000,
- ii. net turnover: EUR 40.000.000,-
- iii. own funds: EUR 2.000.000,-

c. National and regional governments, public bodies that manage public debt, Central Banks, international and supranational institutions such as the World Bank, the IMF, the ECB, the EIB and other similar international organisations.

d. Other institutional investors whose main activity is to invest in financial instruments, including entities dedicated to the securitisation of assets or other financing transactions.

Retail clients: a category that includes clients not falling within the 'Eligible Counterparty'/'Professional Client' categories, who are deemed to have less investment knowledge and experience; they receive the maximum level of protection provided for by 'MiFID II' both in carrying out the tests and in the scope of the pre- and post-contractual documentation and information that must be made available to them; this category includes the majority of individuals;

We will notify each client in writing as appropriate of the categorization/classification assigned. Any such categorization/classification, as well as any notification thereof, will be valid and will apply to all Accounts held by such client with us. Please note that you shall be treated as a **"Retail Client"**, unless we shall classify or reclassify you as a **"Professional Client"** or an **"Eligible Counterparty"**, depending on the information that you shall provide when completing the registration process or thereafter.

RIGHT TO REQUEST CHANGES TO THE 'MiFID II' CLASSIFICATION ASSIGNED

We offer our clients the possibility to request re-categorization and thus to increase or decrease the level of regulatory protection afforded. Where a client requests a different categorization (either on an overall level or on a product level), the client needs to meet certain specified quantitative and qualitative criteria. On the basis of the client's request, we undertake an adequate assessment of the expertise, experience and knowledge of the client to give reasonable assurance, in the light of the nature of transactions or services envisaged that the client is capable of making his/her own investment decisions and understanding the risks involved. However, if the above-mentioned criteria are not met, we reserve the right to choose whether to provide services under the requested categorization.

To request a change in client categorization, you will need to hand in the special form for this request, duly completed and signed. This form is available to you and can be downloaded from our Online Trading Facility as part of the Account Opening Application Form(s), which you need to complete to open an Account with us.

Acceptance of the request by us will depend on your compliance at all times with established legal and regulatory requirements for making the change effective, as follows:

Retail Clients

A "Retail Client" has the right to request a different classification as a 'Professional Client', but he/she will be afforded a lower level of protection. The Company is not obliged to deal with him/her under a different classification.

Tests and Criteria: The Company is allowed to treat any of the retail Clients as professionals provided that the relevant criteria and procedures mentioned below are met. Any waiver of the protection afforded by the standard conduct of business regime will be effected only if an adequate assessment of the expertise, experience and knowledge of the Client, undertaken by the Company, gives reasonable assurance, in light of the nature of the transactions or services envisaged, that the Client is capable of making his own investment decisions and fully understands the risks involved.

The fitness test applied to managers and directors of entities licensed in the financial sector under MiFID II could be regarded as an example of the assessment of expertise and knowledge. In the case of small entities, the person subject to the above assessment should be the person authorised to carry out transactions on behalf of the entity.

TTCM Traders Trust Capital Markets Limited, is a Cyprus Investment Firm incorporated under the laws of Cyprus, which has its principal place of business at 3 Thalia Street, Office Number 310-318, 3rd Floor, 3011, Limassol, Cyprus, and registered with the Registrar of Companies in Nicosia under number: HE 250591. 'TTCM Traders Trust Capital Markets Limited' is regulated as a Cyprus Investment Firm ('CIF') by the Cyprus Securities and Exchange Commission ('CySEC') under license number 107/09. 'TTCM Traders Trust Capital Markets Limited' operates in accordance with the Markets in Financial Instruments Directive ('MiFID II') of the European Union.

In the course of the above assessment, as a minimum, two (2) of the following criteria should be satisfied:

- a. the Client has carried out transactions, in significant size, on the relevant market at an average frequency of 10 per quarter over the previous four quarters;
- b. the size of the Client's Financial Instruments portfolio, defined as including cash deposits and Financial Instruments exceeds EUR 500.000,-;
- c. the Client works or has worked in the financial sector for at least one (1) year in a professional position, which requires knowledge of the transactions or services envisaged.

Procedure: Retail Clients may waive the benefit of the detailed rules of conduct applicable to them only where the following procedure is followed:

1. they must state in writing to the Company that they wish to be treated as a 'Professional Client', either generally or in respect of a particular investment service or transaction, or type of transaction or product;
2. the Company will give them a clear written warning of the protections and investor compensation rights they may lose;
3. they must state in writing, in a separate document from the User Agreement (business Terms and Policies), that they are aware of the consequences of losing such protections and accept them;
4. before deciding to accept any request for waiver, the Company is required to take all reasonable steps to ensure that the Client requesting to be treated as a 'Professional Client' meets the relevant tests and criteria above.

B. Professional Clients

A "Professional Client" has the right to request a different classification as a 'Retail Client' in order to obtain a higher level of protection.

It is the responsibility of the Client, initially considered to be a 'Professional Client', to ask for a higher level of protection when it deems it is unable to properly assess or manage the risks involved. This higher level of protection will be provided when a Client, who is considered to be a 'Professional Client', enters into a written agreement with the Company to the effect that it shall not be treated as a 'Professional Client' for the purposes of the applicable conduct of business regime. Such agreement will specify whether this applies to one or more particular services or transactions, or to one or more types of products or transactions.

C. Eligible Counterparties

An "Eligible Counterparty" has the right to request a different classification either as a 'Professional Client' or as a 'Retail Client' in order to obtain a higher level of protection. According to the Investment Services and Activities and Regulated Markets Law, the Company is not obliged to deal with the Client on this basis.

Based on any of the above-mentioned requests for change, we will in each instance notify you, as appropriate, of the new classification assigned; any such new categorization/classification, as well as any notification thereof, will be valid and will apply to all Accounts held by you with us.

If you have an Open Position under a Service that is being terminated or in a product that is being removed, we will provide you with reasonable notice in writing, where possible, that we intend to terminate a Service or remove a product.

We aim to provide you with at least ten (10) Business Days' notice in which to close any Open Position that you may hold on such affected product or Service. However, where in our reasonable opinion it is necessary or fair to do so, we reserve the right to provide a shorter notice period or no notice at all. Where notice is given, you should cancel any Orders and/or close any Open Positions in respect of such affected product or Service before the time specified in our notice. If you do not do this, we reserve the right to cancel any Orders and close any Open Positions in respect of the affected Service or product at the time and in the manner specified in the notice.

Dealings with you will be carried out by us on an execution-only basis, unless agreed otherwise by us, in writing, as being on an advisory basis (either discretionary or non-discretionary).

Where we are dealing with you on an *'execution-only basis'*, we will not make personal recommendations or advise on the merits of purchasing, selling, or otherwise dealing in particular investments or executing particular Transactions, their taxation consequences or the composition of any account or any other rights or obligations attaching to such investments or Transactions. You should bear in mind that any explanation provided by us as to the terms of a Transaction or its performance characteristics does not itself amount to advice on the merits of the investment.

Where we are providing general trading recommendations, independent research, market commentary, guidance on shareholding disclosure or other information to clients who receive an execution-only service:

this is incidental to our relationship with the client and is provided solely to enable the Client to make independent investment decisions;

the client acknowledges that where such information is general and not specifically targeted at the client, the information does not amount to a personal recommendation or advice;

we give no representation, warranty or guarantee as to the accuracy or completeness of such information or as to the legal, tax or accountancy consequences of any Transaction; and

where information is in the form of a document (electronic or otherwise) containing a restriction on the person or category of persons for whom that document is intended or to whom it is to be distributed to, the client agrees that it will not pass such information contrary to such restriction.

Where we have agreed in writing that dealings between us and the client are on a *'non-discretionary advisory basis'*:

we may advise the client on Transactions and investments within the range on products notified to the client by us; we are not obliged to provide advice on a one-time or continuing basis;

following our advice, the client may (but will not be obliged to) instruct us to enter any kind of Transaction or arrangement for the client;

all decisions on whether to invest in, hold or dispose of any asset or to enter into any Transaction belong to the client;

we will only enter into Transactions as the client instructs;

we will have no on-going obligation to advise the client on or monitor any Transaction or portfolio of investments held with us; and

we shall not be responsible for the profitability of any advice, information or recommendations.

We may from time to time offer *Discretionary Investment Management Services* in certain products; where we agree to provide the client with such Discretionary Investment Management Services in writing, the following provisions will apply in respect of that investment service:

we will undertake an assessment of the client's personal and financial circumstances and will agree the investment strategy, a component of which will be the investment objective; we will manage the monies allocated to the investment strategy with a view to achieving the investment objective, subject to any restrictions in the investment strategy or which otherwise apply to the provision of the our services under the Agreement; to allow us to do so, the client grants us full authority, at our sole discretion and without reference to the client, to enter any kind of Transaction or arrangement for the client in the agreed product; and although we will use reasonable endeavours to achieve the client's investment objective(s), we will not be responsible if the investment objective is not achieved for any investment strategy the client selects.

EXECUTION OF ORDERS

Where we are dealing with you on an execution-only basis, unless expressly determined and stated "*in the terms agreed upon by mutual consent of the Parties*", we offer reception and transmission of Order services to you in relation to transactions in respect of Over-The-Counter ("**OTC**") traded instruments, such as Spot Forex, Contracts for Differences (CFDs) on stocks, indices, precious metals or any other financial instruments or commodities available for trading from time to time via our Online Trading Facility ("**Supported Financial Instruments**"), and such additional services as we may agree from time to time in writing.

Unless expressly determined and stated "*in the terms agreed upon by mutual consent of the Parties*", we will **NOT** advise you on the merits or suitability of any Transaction and/or Contracts entered into pursuant to these Terms and Conditions, nor will we manage or monitor your investments. You acknowledge that our execution of any Order on your behalf does not in any way imply that we have approved or recommended that Transaction or investment. For your information, we have set out various risk disclosures on our Online Trading Facility.

Unless expressly determined and stated "*in the terms agreed upon by mutual consent of the Parties*", all Transactions and/or Contracts we enter into with you or execute on your behalf will be placed and executed in accordance with the terms of our '**Order Execution Policy**' (as amended or extended from time to time) full details of which are available on our Online Trading Facility ("**Order Execution Policy**"). Our '**Order Execution Policy**' is part of these Terms and Conditions and is incorporated herein by reference, shall be applicable to all Transactions and Contracts entered into by and between you and us, to the extent that it does not impose and/or does not seek to impose any obligations on us which we would not otherwise have, but for the Cyprus Investment Services and Activities and Regulated Markets Law of 2017 (Law 87(I)/2017).

During Dealing Hours, Orders may be placed as Market Orders to buy or sell Supported Financial Instruments as soon as possible at the price obtainable in the Market, or on selected products as '**Limit Orders**' and '**Stop Orders**' to trade when the price reaches a predefined level. '**Limit Orders**' to buy and '**Stop Orders**' to sell must be placed below the current Market Price, and '**Limit Orders**' to sell and '**Stop Orders**' to buy must be placed above the current Market Price. If the '**Bid Price**' for '**sell Orders**' or '**Ask Price**' for '**buy Orders**' is reached, the Order will be filled as soon as possible at the price obtainable in the Market. '**Limit Orders**' and '**Stop Orders**' will be executed consistent with our Order Execution Policy and are **NOT** guaranteed executable at the specified price or amount, unless explicitly stated by us for the specific Order.

Unless otherwise determined and stated "*in the terms agreed upon by mutual consent of the Parties*", we will transmit your Orders for execution directly to our liquidity providers on a Straight Through processing (STP) basis or via our Electronic Communication Network (ECN). Any such Transactions and/or Contracts will be entered into by you alone as a Principal and not as an agent on behalf of someone else, unless we have otherwise agreed in advance in writing. Other than with respect to the transmission of your Orders for execution directly to our liquidity providers on a Straight Through processing (STP) basis or via our Electronic Communication Network (ECN), we shall not have any responsibility, either to you or to your underlying Principals or customers (if any) and you alone will be responsible for the performance of your obligations. If you were to act on behalf of underlying Principals or customers, whether or not you identify such underlying principals or customers, we shall not be obliged to accept the said underlying Principals or customers as our client, and consequently we shall be entitled to consider and treat you as the Principal in relation to such Transactions and/or Contracts. EXECUTION OF ORDERS & LIQUIDITY PROVIDERS

The Company acts as the sole Execution Venue to the Client and the client agrees, transacts and deals only with the Company; the Company therefore has the ultimate responsibility towards the client regarding execution of client orders.

The Clients' orders do not get transmitted on to a "Liquidity Provider" (LP) / Counterparty, the Company orders the execution (back-to-back through an automated system) of a set-off transaction to the LP / Counterparty.

Therefore, any transactions that are traded between the Company and the Clients, the Company enters into back-to-back transactions between the Company and its LP/Counterparty. The LP/ Counterparty is not executing for the Company's clients, the LP/Counterparty is executing for the Company.

The Company takes steps to safeguard their clients in this regard, diversifying the LP/ Counterparty relationships the Company has, undertaking proper risk assessments for approval of the relationships with those LP / Counterparties and the establishment of risk limits.

PRICES AND OPEN POSITIONS

We will provide you with '**Transactional Ask Prices**' and '**Transactional Bid Prices**' ("**Price Quote(s)**") in respect of Supported Financial Instruments through our Online Trading Facility or, in those instances where we have agreed to do so, through our dealing desk. The Price Quotes that we quote are determined by us and usually represent a mark-up or mark-down on inter-bank dealing rates. Our fees and charges are set out on our Online Trading Facility. Each price published shall be valid until the earlier of its expiration time and the time, if any, at which it is otherwise withdrawn by us.

Each Price Quote shall be available for use in a dealing Instruction for a Transaction and/or Contract with a principal amount not to exceed a maximum leverage amount, determined by us, published on our Online Trading Facility or otherwise notified to you ("**Leverage**"). You acknowledge that the prices and maximum Leverage we may offer to you may differ from prices and Leverage provided to other clients of ours and may be withdrawn or changed by us at any time, without prior notice and without any obligation on our end to provide any explanation and/or justification. We may in our absolute discretion and without prior notice to you, immediately alter, withdraw or refuse to deal on any Price Quote we may have published or cease the provision of Price Quotes altogether in some or all Supported Financial Instruments and for some or all value dates at any time and without any obligation on our end to provide any explanation and/or justification.

Unless expressly determined and stated "*in the terms agreed upon by mutual consent of the Parties*", our Services are restricted to executing Transactions and/or Contracts in Supported Financial Instruments via our Online Trading Facility, at the Price Quotes displayed on our Online Trading Facility or otherwise communicated to you at your request.

We may, in our absolute discretion, require confirmation (in such form as we may specify) of any dealing Instruction, as appropriate. If you give Instructions by telephone, your conversation may be recorded. We shall be authorized to follow Instructions notwithstanding your failure to confirm them in writing. Instructions for the simultaneous sale and purchase of a Financial Instrument on behalf of the same beneficial owner may NOT be given under this Agreement. A dealing Instruction or

Order given by you to us shall not take effect until it is actually received by us. In the Agreement and/or any agreements by and between us, including, without limitation, these Terms and Conditions, unless the context requires otherwise, **“Instructions”** and **“Orders”** shall have the same meaning.

Authority: We shall be entitled to act for you upon Instructions given or purporting to be given by you or any Person authorized on your behalf (an **“Authorized Person”**), without further enquiry as to the genuineness, authority or identity of the Person giving or purporting to give such Instructions. You shall notify us in writing of the identity of any Authorized Person entitled to give instructions to us on your behalf. Any such notice shall be in writing and shall set out the names and specimen signatures of the Authorized Person or Persons to be authorized. Any such authority may be revoked by notice in writing by you at any time, but shall only be effective upon written confirmation by us of our receipt of such notice of revocation. We shall not be liable for any loss, direct or indirect, resulting from your failure to notify us of such revocation. We shall be entitled to act upon the oral or written instructions of any Authorized Person or any Person who appears to us to be an Authorized Person, notwithstanding that the Person is not, in fact, so authorized. For practical reasons, we can only undertake to register one Power-of-Attorney for you. We are, in accordance with general rules regarding Powers-of-Attorneys entitled to receive instructions from any Person authorized by you as well as Persons who appear so authorized. We do reserve the right, however, at our sole discretion, to reject the appointment of any representative/Power-of-Attorney authorized to act in your Account and we may elect, at our sole discretion, to dismiss and/or reject at any time any transactions performed by such representative/power of attorney. Pursuant to general rules regarding Powers-of-Attorney, you are accountable to us for losses or damages which we may suffer as a result of instructions from a Person who has explicit or tacit Power-of-attorney to give us Instructions on your behalf. We may refuse to act upon any Instruction from any Person authorized by you if we can render probable that the disposal pursuant to the instruction submitted would be in violation of the legislation relevant to the area, usual market practice, including but not limited to **Anti-Money Laundering (“AML”) & Know Your Customer (“KYC”) Legislation**, or pertain to insider trading, or if the disposal by our reasonable discretion will put you and/or our economic solidity at risk.

Binding Effect: Execution of a dealing Instruction shall constitute a binding agreement on the terms of such Instruction. The procedure for entering dealing instructions is specified on our Online Trading Facility in the online trading section.

Cancellation/withdrawal of Instructions: We can only cancel your Instructions if they have not been acted upon. Once an instruction has been given by you or on your behalf, it cannot be rescinded, withdrawn or amended without our express prior written consent.

Right not to accept Instructions/Orders: We may (but shall not in any circumstances be obliged to) accept Instructions to enter into a Transaction and/or Contract. We may at our absolute discretion refuse to accept any dealing Instruction given by you or on your behalf, in whole or in part, and refuse to act on it, without giving any reason or being liable for any loss occasioned thereby. In addition, a dealing instruction which, for any reason, is not received by us in a manner in which it can be processed, including a failure of our Online Trading Facility to accept or process such Instruction, shall be deemed not to have been received by us.

Control of Orders prior to execution: We have the right (but no obligation) to set limits and/or parameters to control your ability to place Orders at our absolute discretion. Such limits and/or parameters may be amended, increased, decreased, removed or added to by us at our absolute discretion and may include (without limitation): controls over maximum Order amounts and maximum Order sizes; (ii) controls over our total exposure to you; controls over prices at which Orders may be submitted (to include (without limitation) controls over Orders which are at a price which differs greatly from the Market Price at the time the Order is submitted; (iv) controls over our Electronic Services (to include (without limitation) any verification procedures to ensure that any particular Order has come from you); or (v) any other limits, parameters or controls which we may be required to implement in accordance with Applicable Laws, Rules and/or Regulations

Order Execution Policy: We shall use our reasonable endeavours to execute any Order promptly, but in accepting your Orders we do not represent or warrant that it will be possible to execute such Order or that execution will be possible according to your Instructions. In general, we shall act according to instructions as soon as practically possible and shall, as far as trading Instructions are concerned, act in accordance with our Order Execution Policy. If, after instructions are received, we believe that it is not reasonably practicable to act upon such instructions within a reasonable time, we may defer acting upon those Instructions until it is, in our reasonable opinion, practicable to do so, or we may notify you that we are refusing to act upon such Instructions. We shall not be liable for any losses resulting from such deferral or refusal. If we encounter any material difficulty relevant to the proper carrying out of an Order on your behalf, we shall notify you promptly. You confirm that you have read and agree to our '**Order Execution Policy**' as published from time to time on our Online Trading Facility. We will notify you of any material changes to our '**Order Execution Policy**', but it is your responsibility to check for any other changes to our '**Order Execution Policy**' as published from time to time on our Online Trading Facility. Crossing of Orders: We may arrange for a Transaction and/or Contract to be executed, either in whole or in part, by selling an investment to you from another client, or a client of an Affiliate of ours, or vice-versa. We shall not give you prior notice if we arrange for a Transaction and/or Contract to be executed in this manner.

Aggregation and Split of Orders: We are entitled, in our absolute discretion, to combine and/or aggregate your Orders with our own Orders and/or with Orders of any of our Associates and/or Persons connected with us, including employees and/or other clients. Furthermore, we may split your Orders when executing them. Orders will only be aggregated or split, however, if we reasonably believe it to be in your best interest. On some occasions, however, aggregation and split of your Order may result in you obtaining a less favourable price in relation to a particular Order, than if your Orders had been executed, respectively, separately or mutually.

Confirmation of Instructions: We may (but shall not in any circumstances be obliged) to require confirmation of any Instruction in such form as we may reasonably request if it appears to us that such confirmation is necessary or desirable; or such Instruction is to close an Account or remit money due to you. It is your responsibility to inform us of any change to your e-mail address, the non-receipt of a confirmation, or whether any confirmations are incorrect, before settlement.

If you do not provide us with such Instructions promptly, we may, at our absolute discretion, take such steps at your cost, as we consider appropriate for our own protection or for your protection. This provision is similarly applicable in situations when we are unable to obtain contact with you.

Intermediate Brokers and other Agents: We may, at our entire discretion, arrange for any Transaction to be effected with or through the agency of an intermediate broker, who may be an Associate of ours, and may or may not be in Cyprus. Neither we, nor our respective directors, officers, employees or agents, will be liable to you for any act or omission of such an intermediate broker or agent. No responsibility will be accepted for intermediate brokers or agents selected by you.

Position Limits: We may, in our absolute discretion, require you to limit the number of open positions which you may have with us at any time and/or only allow you to enter into closing transactions or we may close out any one or more positions or reverse Transactions and/or Contracts in order to ensure that the position limits we have imposed are maintained.

Fluctuations in Exchange Rates: If you enter into any Transaction and/or Contract, any profit or loss arising as a result of a fluctuation in the exchange rate affecting such Transaction and/or Contract will be entirely for your account and risk.

Trade Reporting: Under Applicable Laws, Rules and/or Regulations we may be obliged to make information about certain Transactions and/or Contracts public. You agree and acknowledge that any and all proprietary rights in such Transaction and/or Contract information are owned by us and you waive any duty of confidentiality attaching to the information which we reasonably disclose.

Rollover: If we do not receive Instructions from you to settle any open Transactions and/or Contracts by the close of the Business Day, we are hereby authorized (but not obliged) to transfer all said Contracts to the next business date traded ("**Rollover**"), as provided in further detail in **Section 50 hereinafter**.

Accordingly, any Instruction sent by you or on your behalf via our Online Trading Facility or by e-mail shall only be deemed to have been received and shall only then constitute a valid Instruction and/or binding Contract between you and us, when such Instruction has been recorded as executed by us and confirmed by us to you through a Settlement/Trade Confirmation, and the mere transmission of an Instruction by you or on your behalf shall not by itself constitute a binding Contract between you and us.

Communications via the Internet: Since we do not control signal power, its reception or routing via Internet or any other means of electronic communication, configuration of our clients' equipment or reliability of its connection, we shall not be liable for any claims, losses, damages, costs or expenses, including attorneys' fees, caused directly or indirectly, by any breakdown or failure of any transmission or communication system or computer facility belonging to us, nor for any loss, expense, cost or liability suffered or incurred by you as a result of Instructions being given, or any other communications being made, via the Internet. You will be solely responsible for all Orders, and for the accuracy of all information, sent via the Internet using your Access Codes. We will not execute an Order until we have confirmed the Order to you and transmission of an Order by itself shall not give rise to a binding Transaction and/or Contract between you and us.

Mobile trading technology: There are a series of inherent risks with the use of the mobile trading technology such as the duplication of Orders/Instructions, latency in the prices provided, and other issues that are a result of mobile connectivity. Prices displayed on our mobile platform are solely an indication of the executable rates and may NOT reflect the actual executed price of the Order. Our mobile feature utilizes public communication network circuits for the transmission of messages. We shall not be liable for any and all circumstances in which you experience a delay in Price Quote or an inability to trade caused by network circuit transmission problems or any other problems outside our direct control, which include but are not limited to the strength of the mobile signal, cellular latency, or any other issues that may arise between you and any internet service provider, phone service provider, or any other service provider. In the event that an erroneous price is used as the basis of any transaction, we reserve the right, at our sole discretion, to amend or revoke the details of the Transaction(s) and/or Contract(s) in question.

Restrictions on Services Provided: There may be restrictions on the number of Transactions and/or Contracts that you can enter into on any one day and also in terms of the total value of those Transactions and/or Contracts when using our Online Trading Facility. You acknowledge that a Market may cancel a Synthetic Order when upgrading its systems, trading screens may drop the record of such a Synthetic Order, and you enter such Synthetic Orders at your own risk.

Limit Order Functionality: The '**Limit Order**' functionality of our Online Trading Facility will be subject to the Internet service remaining available over the period in which the '**Limit Order**' is outstanding, and will be subject to any input Order size limits remaining in excess of your Order size and such position limits and/or any other limits as may be determined by us to be applicable to you (whether or not disclosed to you) and your still being able to facilitate the Order at the time the limit price is reached.

MARGIN AND COLLATERAL

Margin: As a condition of entering into a Margined Transaction, we may in our sole and absolute discretion require the deposit of funds or other collateral acceptable to us as security for payment of any losses incurred by you in respect of any Transaction ("**Margin**"). You must satisfy any and all Margin Requirements immediately as a condition to opening

the relevant Margined Transaction and we may decline to open any Margined Transaction if you do not have sufficient funds in your Account to satisfy the Margin Requirement for that Transaction at the time the relevant Order is placed.

Contingent liability: You also have a continuing Margin obligation to ensure that your Account balance, taking into account your P&L, is equal or greater than the Margin Requirements for all of your Open Positions. For the avoidance of doubt, you are obligated to maintain in your Account, at all times, sufficient funds to meet all Margin Requirements. If you believe that you cannot or will not be able to meet the Margin Requirement, you should reduce your open margined positions or transfer adequate funds to us. Where we effect or arrange a Transaction and/or Contract, involving, for instance, a Contract for Differences, you should note that, depending upon the nature of the Transaction or Contract, you may be liable to make further payments when the Transaction and/or Contract fails to be completed or upon the earlier settlement or closing out of your position. You will be required to make further variable payments by way of Margin against the purchase price of the investment, instead of paying (or receiving) the whole purchase (or sale) price immediately. The movement in the Market Price of your investment will affect the amount of Margin payment you will be required to make.

Margin Requirement shortfall: Where there is any shortfall between your Account balance (taking into account P&L) and your Margin Requirement for all open transactions, we may in our sole and absolute discretion choose to close or terminate one, several, or all of your open margined positions immediately, with or without notice to you. If we may close one, several or all of your Margin Transactions, you should expect that we will close all of your Margined Transactions.

Margin Call Warnings: Where you are near breach or in breach of any Margin Requirements, we may make a Margin Call Warning in accordance with these Terms. We are not obliged to make Margin Call Warnings to you at all or within any specific time period. Margin Call Warnings may be made at any time and in any way permitted under these Terms and Conditions. For this reason, it is in your best interest to keep us regularly apprised of changes in your contact details. We shall be deemed to have made a Margin Call Warning if we notify you electronically via our Online Trading Facility.

In the event that a Margin Call Warnings is made, you shall pay us on demand: (a) such sums of money as may from time to time be due to us under a Contract and such sums as may be required in or towards clearance of any debit balance on any Account; (b) such sums of money as we may from time to time require as Security for your obligations to us; (c) any amount necessary for maintaining a positive balance in any and all of your Accounts with us; and (d) such sums of money by way of deposits or as initial or variation Margin, in respect of and as Security for your actual, future and contingent liabilities to us in such amounts and in such forms as we, in our absolute discretion, may require. You accept that our Online Trading Facility operates with an automated risk monitoring and Margin Call facility designed to monitor the overall utilization of your available Collateral in support of our prevailing Margin and cash funding requirements for the Transactions and/or Contracts you are entering into via our Online Trading Facility; using this automated Margin monitoring facility, we will, unless otherwise stated, apply initial, maintenance or close out Margin call at the prevailing Margin Call levels, as stated from time to time on our Online Trading Facility.

Any requirement for Margin payments must be satisfied within such time as may be specified by us or, if none is specified, immediately. One Margin call does not preclude another.

We shall not be liable for any failure to contact you with respect to a Margin Call Warning. Should we make a Margin Call Warning, the terms and conditions of the Margin Call Warning will be detailed within such warning and we reserve the right to change the terms and conditions of any Margin Call Warning based on market conditions, with or without notice to you. Our right to close out your open Transactions as provided in [Section](#) above shall not be limited or restricted by any Margin Call Warning if or where made.

Accessing of details of Margin amounts: You may access details of Margin amounts paid and owing by logging into our Online Trading Facility or by calling us. You acknowledge:

- that you are responsible for monitoring and paying the Margin required at all times for all Margined Transactions with us; and
- that your obligation to pay Margin will exist whether or not we contact you regarding any outstanding Margin obligations.

Margin Requirements: Our Margin Requirements for different types of Margined products are generally displayed on our Online Trading Facility and Website(s), and in certain instances, we may notify you of Margin requirements through

alternative means. However, we reserve the right to determine specific Margin Requirements for individual Margin Transactions.

Reduction or waiver of all or part of Margin: Margin will not be required where we have expressly agreed to reduce or waive all or part of the Margin that we would otherwise require you to pay in respect of a Transaction. The period of such waiver or reduction may be temporary or may be in place until further notified. Any such waiver or reduction must be agreed in writing (including by email) and will not limit, fetter or restrict our right to seek further Margin from you in respect of that Transaction or any Transaction thereafter.

Change of Margin Requirements: You are specifically made aware that the Margin Requirements are subject to change without notice, including without limitation the Margin rates governing your open Margined positions, and that we may change our Margin requirements at any time. When a Margined position has been opened, we are not allowed to close the Margin Transaction at our discretion, but only at your instruction or according to our rights under these Terms and Conditions.

Multiple Accounts: If you have opened more than one Account with the Company or any Associated Company, we are entitled to transfer money or Security from one Account to another to satisfy Margin requirements, in our sole and absolute discretion, even if such transfer will necessitate the closing of open Margined positions or cancellation of orders on the Account from which the transfer takes place.

Form of Margin: Margin must be provided in the form of cash or, only in those instances in which we may agree otherwise in writing, you may satisfy Margin Requirements and/or a Margin Call Warning by providing other assets in a form acceptable to, such as collateral (by which we mean investments, securities, bonds or any other financial instrument, property or asset acceptable to us in lieu of cash) ("**Collateral**") (all together "**Assets**"). The currency of the cash Margin you pay to us shall be the currency of the relevant underlying Transaction (if applicable) or as we may in our discretion reasonably decide from time to time. Cash Margin is paid to us as an outright transfer of title and you will not retain any interest in it. Cash Margin received by us will be recorded by us as a cash repayment obligation owed by us to you.

Non-cash Margin: Where we agree to accept non-cash Collateral, it must be in a form acceptable to us. The value of the non-cash collateral and the proportion of that value to be taken into account for Margin purposes shall be determined by us in our absolute discretion. We shall apply such terms and conditions as to the acceptance, valuation and release of any Collateral you may provide as we may in our absolute discretion think appropriate. In particular, you are made specifically aware that we may determine, at our reasonable discretion, the value by which any such Collateral shall be registered and consequently contribute to our demands towards you and that we may continuously change the value of such Collateral without prior notice to you. In determining the amount of Collateral and the amount of our obligations to you, we may apply such methodology (including judgments as to the future movement of markets and values), as we consider appropriate, consistent with Applicable Laws, Rules and/or Regulations.

Security Interest: Our services to you are provided on the understanding that where you transfer money and/or Collateral to us by way of Margin or otherwise, we will treat this as a transfer of full ownership of such money and/or Collateral to us for the purpose of securing or covering your present, future, actual, contingent or prospective obligations, and we will not treat such money and/or Collateral as 'Client Money'. Any such money and/or Collateral received by us from you or a third party for your account will be owed by us to you, even where we are acting as your Agent and you no longer have a proprietary claim over such money and/or Collateral transferred to us by way of Margin, and we can deal with it in our own right. Accordingly, without prejudice to any other provisions of the Agreement and/or any agreements by and between us, including, without limitation, these Terms and Conditions, we shall have the right to pledge, charge, loan or otherwise use or dispose of all or part of such money and/or Collateral provided to us by way of Margin, as if we were the beneficial owner thereof. We will transfer an equivalent amount of money and/or Collateral back to you where, at our sole discretion, we consider that the amount of money and/or Collateral you have transferred to us is more than is necessary to cover your present and future obligations to us. You agree that Collateral provided in the form of investments will be returned to you in the form of investments of the same description and amount as those accepted by us as Collateral, but that any such Collateral returned to you need not be the actual investments provided by you.

Failure to meet Margin Call: You are responsible for maintaining appropriate arrangements with us at all times for the receipt and communication of information regarding Margin. You shall promptly deliver any money or property deliverable by you in respect of any Transaction or Contract in accordance with the terms of that Transaction or Contract and with any instructions given by us for the purpose of enabling us to perform our obligations under any corresponding Transaction or Contract entered into between us and a third party. If you fail to provide us with Margin, deposits or other payable amounts in

accordance with the terms of any Transaction or Contract within in the required time, we will be entitled, at our sole discretion, to close out any open Transaction or Contract without prior notice to you and apply any proceeds thereof to payment of any amounts due to us and/or, as we deem fit at our sole discretion, exercise our rights in accordance with Sections 98 through 99 below.

Currency Conversion: All initial and subsequent calls for Margin shall be made in the currency of the Transaction and/or Contract, or in the currency of your Account as we determine, in such amounts as we may in our absolute discretion require; we are authorized to convert funds in your account for Margin into and from such foreign currency at a rate of exchange determined by us on the basis of the then prevailing money market rates. In such circumstances, we will not be liable to you for any loss suffered by you as a result of such action (although, we will use reasonable endeavours to only convert such funds as may prudently be required to cover the position in respect of the relevant transaction).

Refusal to accept Margin: We reserve the right to return to you at any time, with or without reasons and without being obliged to provide you with any justification of explanation, any Assets deposited with us by way of Margin, Collateral, deposits or otherwise.

MARGIN CALL POLICY

You accept that our Online Trading Facility operates with an automated risk monitoring, and Margin Call facility designed to monitor the overall utilization of your available collateral in support of our prevailing Margin and cash funding requirements for the Transactions and/or Contracts you are entering into via our Online Trading Facility; using this automated Margin monitoring facility, we will, unless otherwise stated, apply initial, maintenance or close out Margin call at the prevailing Margin Call levels, as stated from time to time on our Online Trading Facility.

Once the equity in your account falls below the used Margin, (the Margin required maintaining all existing positions), all positions may be liquidated at the prevailing market rates.

In the case where a '**Stop Order**' or '**Limit Order**' (or '**Entry Stop**' or '**Limit**') is entered at the same price that would trigger a Margin call, the Margin call will be executed when that price is touched (or gaps through the price) and all pending Orders attached to that trade will be cancelled.

PLEASE NOTE THAT A MARGIN CALL, WHEN TRIGGERED, WILL TAKE PRECEDENCE OVER OTHER ORDER TYPES.

MARKET ABUSE

You represent and warrant to us at the time you enter into these Terms and Conditions and every time you enter into a Transaction or give us any other instruction that:

you will not place, and you have not placed, a Transaction through or with us, if to do so would result in you or others with whom you are acting in concert having an interest in the price of the Financial Instrument, which is equal to or exceeds the amount of a declarable interest in the instrument;

you will not place, and you have not placed, a Transaction in connection with:

enforce the Transaction(s) against you if it is a Transaction(s), which results in you owing money to us; and/or treat all of your Transactions as void if they are Transactions, which result in us owing money to you, unless and until you produce conclusive evidence within thirty (30) calendar days of our request for evidence that you have not in fact committed any breach of warranty, misrepresentation or undertaking under these Terms and Conditions.

You acknowledge and agree that it would be improper for you to deal in a Financial Instrument if the sole purpose of such a transaction was to manipulate the price we quote, and you agree not to conduct any such transactions.

If we accept any payments to be made by a debit card, credit card or any other payment method that may charge processing fees, we do, however, reserve the right to levy a transfer charge. All transactions should be listed as purchases on your credit/debit card statement. You may wish to contact your credit/debit card company to ask if there are any fees on their side in processing these transactions.

For credit/debit cards, we provide you with the option of paying in your own currency. We provide a competitive exchange rate, presented upfront in the payment method interface. Should you choose to pursue this service, the transaction will be processed on your payment method immediately using the exchange rate provided. In case you would like the payment provider to perform the currency exchange for you, the transaction will be posted to your card when processed by your issuing bank while the exchange rate and any additional fees will be determined by your issuing bank.

If you plan to use more than one credit/debit card to deposit funds into your Account(s), you must ensure that your Account(s) has/have a zero balance before changing cards. You can do this by using any remaining funds within the Account(s) or withdrawing any remaining funds to the original credit card. Before you can use any other credit card, you will need to register it with us in accordance with the procedures described hereinabove.

It is important to keep a record of all of your credit/debit card deposits. To help you maintain these records you should be aware that your credit/debit card deposits are recorded and reported on your credit/debit card statement

We are committed to continuing to provide the highest level of security for our customers when depositing money online. A new initiative has been put into place by MasterCard and Visa to further protect on-line transactions called **MasterCard SecureCode** and **Verified by Visa**. These both work in a similar way and protect the card holder with a secret code/password against unauthorized use of your card when you deposit money online. Please click one of the links below to visit the MasterCard or Visa websites for full information.

MasterCard SecureCode

Verified by Visa

If your card qualifies for either **MasterCard SecureCode** or **Verified by Visa**, you may be prompted to either register or enter your security details at the Credit Card Deposit screen displayed on our Online Trading Facility and follow the instructions posted thereon.

CHARGEBACKS

If you place a chargeback with your credit card company (on purpose or by mistake) for any deposit you made in your Account(s) with us, there will be a "USD 150,- research fee" charged to your Account(s) upon receiving the chargeback by our merchant provider to cover our investigative expenses to prove that you did make the deposit, and you hereby authorize us to charge this amount to your credit card.

We do not tolerate credit card fraud, and all fraud, without exception, will be prosecuted through criminal proceedings in your local jurisdiction to the fullest extent of the law. In addition, we will pursue civil legal action in your local jurisdiction seeking any loss of income related to the fraud, including business, legal fees, research costs, employee down time and loss of revenues.

We employ advanced risk modelling to detect fraudulent transaction clues across our Services. Fraudulent transactions are immediately cancelled after being detected. Any active Orders associated with the same fraudulent credit card(s) will also be cancelled immediately. We also actively leverage external, cross-industry resources -- such as worldwide fraud blacklists -- to prevent fraudulent users from accessing our Online Trading Facility in the first place.

We consider credit card charge backs to be fraudulent if you make no reasonable effort to work with us to resolve any problems with your deposit. All frivolous chargebacks not only cost our employees time away from our usual and customary matters of conducting normal business, but also cost us money, therefore:

when we detect questionable activity related to a deposit that is being made in an Account, we will mark the deposit with a *"customer review in progress"* status and perform fraud detection checks on the deposit to reduce your exposure to risk; during this time, you won't be able to access your Account(s).

In general, we complete reviews within four (4) to six (6) hours; certain deposits posing a higher potential risk may require more time, however, as our Compliance Department performs even more extensive fraud detection checks. We may also contact you directly as a backup precaution. If we determine that a deposit is high-risk or doesn't comply with our Fraud & Security Policies, the deposit will immediately be cancelled and the funds will immediately be refunded to the credit card from which the deposit was initially made. Furthermore, in such instances, we reserve the right, at our sole discretion, to close any and all of your Account(s) with us immediately. Any active Orders associated with the same fraudulent credit card(s) and/or Account(s) will also be cancelled immediately.

You agree that if you choose to do business with us and you file a charge back with your credit card company, but you do not win the charge back argument, you agree to pay us, in addition to the "USD 150,- research fee mentioned above, a "USD 150,- administrative processing fee" for our time responding to the matter. You hereby authorize us to charge this amount to your credit card. If this charge is rejected, we will pursue legal action to recoup losses for our time associated with responding to the charge back in addition to any other fees explained above. You agree to reimburse us or any Representative we may appoint for any legal expenses your actions may make us incur.

In addition, we will attempt to recover fraudulently disputed charges plus additional costs via a third-party collection agency and your account will be reported to all credit bureaus as a delinquent collection account. This may severely damage your credit rating for at least the next seven (7) years. At this point, we will no longer accept a settlement of your debt and will only accept payment in full. In addition to this, we will file a report with your local police department, and pursue all fraudulent activities through your local jurisdiction for prosecution to the fullest extent of the law. Furthermore, in such instances, we reserve the right, at our sole discretion, to take all action as we see fit, including, without limitation, completely blocking access to our Online Trading Facility, blocking and/or revoking your Access Codes and/or terminating your Account(s). Furthermore, under these circumstances, we reserve the right to seize any profits and/or revenues generated directly or indirectly by exercising any such prohibit trading activity and we shall be entitled to inform any Interested third parties of your breach of this **Section 71; any active Orders associated with the same fraudulent credit card(s) and/or Account(s) will also be cancelled immediately; we have, and will continue to develop any tools necessary to identify credit/debit card fraud; any dispute arising from such fraudulent activity will be resolved by us in our sole and absolute discretion, in the manner we deem to be the fairest to all concerned; that decision shall be final and/or binding on all participants; no correspondence will be entered into.**

We take fraud very seriously. We log IP strings on all deposits made in our Accounts - any orders coming back as a chargeback due to fraudulent activities will be diligently pursued through criminal proceedings in your local jurisdiction for prosecution to the fullest extent of the law.

NETTING AGREEMENT

If on any date the same amounts are payable by a Party to this Agreement to another Party to this Agreement in the same currency, then, each Party's obligations to make payment of any such amount(s) will be automatically satisfied by 'netting'.

If the amounts are not in the same currency, the amounts may be converted in accordance with the principles set forth in **Section 59 hereinabove**.

If the aggregate amount that is payable by one Party exceeds the aggregate amount that is payable by the other Party, then the Party by whom the larger aggregate amount is payable shall pay the excess to the other Party and the obligations to make payment of each party will be satisfied and discharged.

If the client relationship is terminated according to **Sections 98, 99 and/or 100 and 101 hereinafter, then the claims that the Parties have against each other shall be finally discharged by means of netting (closed). The value of any open Contracts shall be determined according to the principles set forth below and the final amount to be paid by one of the Parties shall be the difference between the payment obligations of the parties.**

Rates based on which any such Transactions and/or Contracts shall be closed shall be the market rates applicable on the day on which we decide to close such Transactions and/or Contracts. We may, at our reasonable discretion, determine the rates by obtaining an offer from a market maker in the asset in question or by applying rates from electronic financial information systems. When determining the value of any such transactions and/or Contracts to be netted, we shall apply our usual spreads and include all costs and other charges.

This netting agreement shall be binding on all Parties to this Agreement and on the estate and/or creditors of all Parties to the client relationship under this Agreement.

CLIENT MONEY

Where we classify you as a Retail Client:

subject to these Terms and Conditions, we will treat money received from you or held us on your behalf in accordance with the Client Money Rules. Client Money will be held separate from our money under arrangements designed to ensure that Client Money is easily identified as money belonging to customers;

we may:

hold Client Money in bank accounts in territories that are within or outside the European Economic Area ("EEA"). Client Money held outside the EEA may be subject to the jurisdiction of that territory and your rights may differ accordingly. In the event of insolvency or any other equivalent failure of that bank, your money may be handled differently from the treatment which would apply if the money was held with a bank in the EEA; and/or

allow a third party, such as an exchange, a clearing house or an intermediate broker, to hold or control Client Money where we transfer the Client Money for the purposes of a Transaction for you through or with that party, or to meet your obligations with that party (for example, a Margin Requirement), who may be located either inside or outside of the EEA;

unless otherwise agreed in writing, you acknowledge and agree that we will **NOT** pay you interest on Client Money or any other unencumbered funds. You expressly waive any entitlement to interest under the Client Money Rules or otherwise;

we are not responsible for the solvency, acts or omissions of any bank or other third party with which Client Money is held;

unless you notify us beforehand and in writing, we may allow a third party, such as an exchange, a clearing house or an intermediate broker to hold all control all or part of your Client Money, where we transfer all or part of your Client Money: (a) for the purposes of a Transaction and/or Contract you have entered into, or are entering into with such third party;

or (b) to meet your obligations to provide Collateral or Margin for a Transaction and/or Contract (e.g. an initial Margin requirement for a derivative Transaction);

you hereby authorize us to make any deposits and withdrawals from your Account(s) with us on your behalf, including, without limitation and prejudice to the generality of the above, withdrawals for the settlement of all Transactions undertaken and/or Contacts entered into under these Terms and Conditions, as well as for the settlement of any and all amounts which are payable by you, or on your behalf, to us or any other Person under and/or pursuant to these Terms and Conditions.

Where we classify you as a Professional or Eligible Counterparty:

you acknowledge and agree that title in and/or ownership of all of the money you deposit with us shall be transferred to us for the purpose of securing or covering your present, future, actual, contingent or prospective obligations, and we will not hold such money in accordance with the Client Money Rules. Any money received by us from you or a third party for your account will be owed by us to you, even when we are acting as your Agent. Because the Client Money Rules will not apply, you do not have a proprietary claim over money transferred to us, and we can deal with it in its own right. We will transfer an equivalent amount of money back to you where the money is due to be repaid to you or, in our sole and absolute discretion, we consider that the amount of money you have transferred to us is more than what is necessary to cover your present, future, actual, contingent or prospective obligations to us. In determining the amount of collateral and the amount of our obligations to you, we may apply such methodology (including judgements as to the future movement of markets and values), as we consider appropriate, consistent with Applicable Regulations;

by placing money with us, you agree that all money transferred into your Account is done so in anticipation of a Transaction with us and therefore has the purpose of securing or covering your present, future, actual, contingent or prospective obligations to us. You should not place any money with us that is not for the purpose of securing or covering your present, future, actual, contingent or prospective obligations to us; and

you expressly acknowledge and agree that any money you transfer to us will not be segregated from our own money and that you will rank as a general creditor of us in the event of insolvency or an equivalent failure; and

unless otherwise agreed in writing, you acknowledge and agree that we will not pay you interest on any money provided to us under this **Section 73.2 You expressly waive any entitlement to interest;**

unless you notify us beforehand and in writing, we may allow a third party, such as an exchange, a clearing house or an intermediate broker to hold all control all or part of any money you deposit with us, where we transfer all or part of the money you deposit with us: (a) for the purposes of a Transaction and/or Contract you have entered into, or are entering into with such third party; or (b) to meet your obligations to provide Collateral or Margin for a Transaction and/or Contract (e.g. an initial Margin requirement for a derivative Transaction);

you hereby authorize us to make any deposits and withdrawals from your Account(s) with us on your behalf, including, without limitation and prejudice to the generality of the above, withdrawals for the settlement of all Transactions undertaken and/or Contacts entered into under these Terms and Conditions, as well as for the settlement of any and all amounts which are payable by you, or on your behalf, to us or any other Person under and/or pursuant to these Terms and Conditions.

Unless otherwise determined and stated "*in the terms agreed upon by mutual consent of the Parties*", any amount payable by us to you, shall be paid directly to you and not to any other Person, except in those instances where this has been agreed upon by mutual consent of the Parties;

Without prejudice to any other provisions of these Terms and Conditions, we may, at our sole discretion, from time to time and without your prior authorization, set-off any amounts held on your behalf against your obligations to us and/or merge any of your Accounts with us;

You are entitled to withdraw any funds which are not used for Margin covering, free from any obligations ("**Free Margin**") from your Account with us, without closing your Account.

On occasion, we will receive deposits or payments into our client money account(s) that it cannot allocate to any particular customer following reasonable attempts to do so. This may occur (in addition to other reasons) where customers transfer monies to us for deposit but fail to follow stated procedures or include relevant account references. Where this occurs, we will hold the money in a suspense account and make reasonable efforts to determine who the money belongs to. If we cannot allocate the money after a reasonable period of time, it will attempt to return the money to the bank or source of transfer. Where the bank or source of transfer refuses to accept the money on return, we will donate the money to a charity of our choice without liability to you. You are therefore urged to follow stated deposit procedures and review your Account when transferring funds to us to ensure all monies are appropriately allocated.

CLIENT ASSETS

You agree that we will act as custodian of your assets which it may from time to time safeguard and administer under the Terms. Subject to the Terms, we will treat assets received from you or held by us on your behalf in accordance with the Client Asset Rules. Client assets will be held separate from our assets under arrangements designed to ensure that Client assets are easily identified as assets belonging to customers.

We shall open one or more custody accounts in the name of our general customer population, recording any shares, stocks, debentures, bonds, securities, or other similar property (including evidence of or title to Securities and all rights in respect of Securities) deposited or transferred by you or on your behalf with or to us or our sub-custodian or collected by us or our sub-custodians for your Account (hereinafter, "Custody Assets"). We reserve, at all times, the right to reverse any provisional or erroneous entries (including reversals necessary to reflect adjustments by our sub-custodian to our records as a result of bad deliveries) to the custody accounts with effect back-valued to the date upon which the final or correct entry (or no entry) should have been made.

Custody Assets which are in registerable form may be registered in your name or in the name of our Nominee. You agree that registerable Custody Assets may also be registered in the name of a third party or in our name, but only if the particular Custody Asset is subject to the law or market practice of an overseas jurisdiction and due to the nature of the law or market practice of that overseas jurisdiction, it is in your best interests or it is not feasible to do otherwise.

We may from time to time delegate to sub-custodians, nominees, agents, depositories, clearing houses and clearing systems inside or outside of the United Kingdom and which may include Associated Companies any of our duties under these custody terms including (without limitation) the safekeeping of the Custody Assets (together "Third Parties"). We will not be responsible for the solvency, acts or omissions of any Third Party with which the Custody Assets are held except where we have acted negligently, fraudulently or in wilful default in relation to the appointment of the Third Party. Consequently, if the Third Party becomes insolvent, there may be some risk to your Custody Assets.

We may use a Third Party in a country which is not an EEA state and where the holding and safekeeping of financial instruments are not regulated. We will only do so when the nature of the financial instruments or of the other services provided to you requires them to be deposited with such a Third Party.

Your Custody Assets may be held overseas by a Third Party on our behalf. Furthermore:

your Custody Assets may be held in a pooled account by the Third Party, and there is a risk that your Custody Assets could be withdrawn or used to meet obligations of other customers, or that the balance of assets held by the Third Party does not reconcile with the quantity which the Third Party is required to hold, and you may not in such circumstances receive your full entitlement of Custody Assets;

in some jurisdictions, it may not be possible to identify separately the Custody Assets which a Third party holds for customers from those which it holds for itself or for us, and there is a risk that your Custody Assets could be withdrawn or used to meet the obligations of the Third Party, or lost altogether if the Third Party becomes insolvent; and

legal and regulatory requirements may be different from those applying in the United Kingdom particularly where an account containing your Custody Assets is subject to the laws of a non-EEA jurisdiction.

DORMANT ACCOUNTS

In the event that there is no trading activity in your Account(s) for a period of at least six (6) months, we will regard your Account(s) to be dormant. An Account shall be deemed as dormant from the last day of the sixth (6th) month in which there has been no trading activity in the Account.

A monthly fee equal to the lower of USD 25 (Twenty Five United States Dollars) on the date that it became dormant, whichever is higher, shall be deducted from the Account(s) on a monthly basis on the last day of every month, commencing from the last day of the sixth (6th) month in which the Account becomes dormant until the balance of the Account has reached zero.

In the event that you log-on to your Account(s) and trade in your Account(s) in the period during which the dormant account administration fee is being applied, we will cease to deduct the dormant Account administration fee, but we shall not be obligated to refund any dormant Account administration fees deducted from your Account prior to such log-on and trading activity. Dormant Accounts with a zero free balance will be closed automatically.

MULTIPLE (JOINT) ACCOUNT HOLDERS

We offer the possibility to open Accounts with us that are operated by multiple (joint) Account holders. In the event that such a request is filed with us, you will be asked to indicate to us on your Account Opening Application Form(s), the form of ownership of the Account, as either one of the below mentioned options:

Joint Tenants with Rights of Survivorship: In this instance, it is the express intention of the (joint) Account holders to create an estate or account as joint tenants with rights of survivorship and not as tenants-in-common; in the event of the death of either one of the Account holders, the entire interest in this Account shall be vested in the surviving Account holder on the same terms and conditions as previously held, without in any manner releasing the deceased Account holder's estate from the liabilities that are provided for hereinafter;

Tenants-In-Common: In this instance, it is the express intention of the (joint) Account holders to create an account or estate as tenants-in-common; the percentage of ownership of each Account holder shall be as indicated on the Account Opening Application Form(s); any taxes, costs or expenses payable as a result of the death of an Account holder shall, so far as possible, be deducted from the interest of the estate of the deceased Account holder; this provision shall not release the deceased Account holder's estate from the liabilities that are provided for hereinafter; unless expressly stated otherwise on the Account Opening Application Form(s), each (joint) Account holder shall be deemed to have an equal share in the (joint) Account.

If an Account is jointly held by more than one Account holder, each Account holder individually shall have the authority: (a) to trade for the account in accordance with the agreements of the Account; (b) to receive all correspondence and documents in respect of the Account; (c) to receive or withdraw money from the Account;

to execute agreements relating to the Account; and (e) to deal with us on an individual basis with respect to all aspects pertaining to the Account. Without prejudice to any other provisions of the Agreement and/or any agreements by and between us, including, without limitation, these Terms and Conditions, we shall be entitled (but under no circumstances be obliged), however, at our sole discretion, to require joint action by all Account holders in certain Account matters, without being obliged to provide any explanation or justification.

Furthermore, in those circumstances: (a) the liabilities of each such Account holder shall be joint and several; (b) we may act upon instructions received from any one Person who is, or appears to us to be, an Account holder, without further

inquiry with regard to all transactions in any way related to the Account, including without limitation, the placement of Orders and entering into of Transactions and/or Contracts via our Online Trading Facility, and the disposition of any or all of the assets in the Account; we shall have no responsibility or obligation for further inquiry into such apparent authority, and shall bear no liability for the consequences of any acts or omissions made in reliance upon any such Instructions; (c) any notice and other message presented by us to any one Person who is, or appears to us to be, an Account holder shall be deemed to have been presented to all Account holders; and (d) if an Event of Default occurs in respect of any one Person who is, or appears to us to be an Account holder, such an Event of Default shall be deemed to have occurred in respect of all Account holders.

In the event of the death of an Account holder, the surviving Account holder(s) shall immediately give us written notice thereof, and provide us with proof of a death certificate and we may, before or after receiving such notice, at our sole discretion, take such proceedings, require such papers and inheritance or estate tax waivers, retain such portion and/or restrict transactions in the Account as we may deem advisable and/or desirable, to protect us against any tax, liability, penalty or loss, under any present or future laws or otherwise.

In the event of the death of an Account holder, the estate of the deceased Account holder and the surviving Account holder(s) shall continue to be liable, jointly and severally, to us for any obligations incurred prior to our receipt of written notice of the death of the Account holder, and/or for any costs incurred by us, including any reasonable attorney fees, in the liquidation of the Account or adjustment of the interests of the Account holders.

ISLAMIC/SWAP-FREE ACCOUNTS

We may offer the possibility to open Islamic (Swap-free) Accounts with us. Swap-free trading accounts are available only to those clients who cannot use swaps owing to their religious beliefs. Accordingly, in all instances where a request for an Islamic (Swap-free) Account is filed with us, we reserve the right to require an adequate justification for and/or proof of the necessity or need of any such conversion. Furthermore, we reserve the right to refuse the processing of any such request for any reason whatsoever, without being obliged to provide any explanation or justification.

While a client may file a request for an Islamic (Swap-free) trading account at any time, the filing of any such request entails that all of such client's other real trading Accounts with us will be converted into Swap-free trading accounts also, without any further notice being required. Conversion of a real trading Account to a Swap-free trading account is performed by our Back-Office Department only upon the request and consent of those clients who complete and submit a request for an Islamic (Swap-free) Account. Upon the receipt of such a duly signed and executed request, we shall evaluate request and any ancillary documentation submitted to us and shall inform you who requested the conversion by e-mail whether the request is accepted or not. As far as EURTRY and USDTRY there will be a charge of 50 USD/Lot from the first day.

Clients are not allowed to use Swap-free Accounts to make profits from Swaps and may not request the payment of any Swap amounts that have been lost as a result of converting their real trading Account(s) into one or more Swap-free Account(s) for the period during which their real trading Account(s) has/have been converted into one or more Swap-free account(s).

We reserve the right to revoke the Swap-free status granted to any real trading Account at any time without being obliged to provide any explanation or justification. Furthermore, in the event that we detect any form of abuse, fraud, manipulation, cash-back arbitrage, carry trades, or other forms of deceitful or fraudulent activity in regard to any Swap-free Account of any client, we reserve the right, at any time, (a) with immediate effect, to revoke the Swap-free status from any and all real trading Accounts of such client that have been converted to a Swap-free trading Account; (b) to correct and recover any un-accrued Swaps and any related un-accrued interest expenses and or costs pertaining to any and all of such client's Swap-free trading Accounts during the period for which such Accounts were converted into Swap-free trading Accounts; and/or (c), with immediate effect, to close all trading Accounts of such client with us, nullify all trades carried out in such client's trading Accounts with us and cancel and all profits or losses garnered in such client's trading Accounts with us.

You acknowledge that any such Service Provider will either be acting as an independent intermediary or an Agent for you and that your Service Provider is not an Agent or employee of us. You further acknowledge that your Service Provider is not authorized to make any representations concerning us or our Services.

We do not control and cannot endorse or vouch for the accuracy or completeness of any information advice or product you may have received or may receive in the future from a Service Provider. Moreover, we do not endorse or vouch for the services provided by a or Service Provider. Since a Service Provider is not an Agent or employee of us, it is your sole and exclusive responsibility to properly evaluate a Service Provider before engaging its services.

MANAGED ACCOUNTS

We hereby notify you that your Attorney is not an employee, Agent or representative of us and further that your Attorney does not have any power or authority to act on behalf of us or to bind us in any way.

Unless otherwise agreed in writing between us and you "*in the terms agreed upon by mutual consent of the Parties*", we may from time to time communicate with your Attorney directly regarding your Account. You consent to this and you agree that communications made by us to your Attorney are deemed to be received by you at the same time at which they are received by your Attorney.

By submitting a Limited Power-of-Attorney to us, you consent to and authorise us to disclose to your Attorney all information that we hold in relation to your Account, including personal information that we hold in relation to you.

You further acknowledge and accept that, in providing an electronic or online trading system to your Attorney, we have the right, but not the obligation, to set limits, controls, parameters and/or other controls on your Attorney's ability to use such a system. You accept that if we choose not to place any such limits or controls on your Attorney's trading, or if such limits or controls fail for any reason, we will not exercise oversight or control over instructions given by your Attorney and you accept full responsibility and liability for your Attorney's actions in such circumstances.

If you wish to revoke or amend a grant of authorisation under a Limited Power-of-Attorney, you must provide us with a written notice of such intention by submitting the relevant form required by us from time to time. Any such notice shall not be effective until two working days after we receive it (unless we advise you that a shorter period will apply). You acknowledge and agree that you will remain liable for all instructions given to us prior to the revocation/variation being effective, and that you will be responsible for any losses, which may arise on any Transactions that are open at such time.

We, acting in our sole and absolute discretion, may refuse to accept instructions from your Attorney in relation to your Account on a one-off or on-going basis and we need not specify our reasons for refusing instructions from your Attorney.

At your request, we may allow a third party, selected by you, to be your Agent and attorney in fact, managing your Account, for the following purposes:

- to enter into, modify, and/or close Transactions with us;
- to set, edit, and/or delete all dealing preferences relating to your Account;
- to enter into any agreements with us on your behalf, which relate to transactions on your Account;
- to communicate with us on your behalf regarding any complaints or disputes that you or we may have against one another relating to your Account;
- to transfer money between your Account(s) and between any other account that you may hold with us; and
- to accept any amendments to the Agreement, on your behalf.

Where you wish to have your Account managed by a third party, you must submit a Limited Power-of-Attorney between you and your Attorney to us in a form acceptable by us in our sole and absolute discretion. Both we and you will be bound by these

Terms and Conditions, and you shall ensure that the authorisation given to your Attorney through the Limited Power-of-Attorney incorporates the provisions and restrictions of this Section.

We reserve the right, at any time and in our sole and absolute discretion, to require you to trade your Account(s). This would require you to revoke your grant of authority to your Attorney and take all actions on your Account yourself. Where we so require, we will notify you and your Attorney of our decision. We need not specify our reasons for requiring you to trade your Account(s).

Our acceptance of a Limited Power-of-Attorney between you and your Attorney is conditional upon your Attorney opening an Account with us in its personal capacity and maintaining that account for the entire period that it acts as Agent for you. Your Attorney is not required to fund its personal account, nor is the Attorney required to conduct any Transactions on its personal account.

You agree to reimburse us for any loss, damage or expense incurred by us as a result of:

us acting on instructions of your Attorney that fall outside the power granted in the Limited Power-of-Attorney; or

your Attorney's breach of any term of the Limited Power-of-Attorney.

Under no circumstances will we allow your Attorney to transfer any or all of your money outside of your Account with us. Moreover, we will not accept an Attorney's request to transfer money into your Account from any source outside of our Company.

Where you agree to compensate your Attorney directly from your Account, you shall submit to us a compensation schedule in a form acceptable to us.

You may select the type of management module to be used by your Attorney, which shall be noted on any Limited Power-of-Attorney, choosing either a 'PAMM' or a 'LAMM'. Where you select the use of a 'PAMM', you acknowledge and accept the following:

your Attorney may be restricted from making any transactions in your Account while the system performs any necessary adjustments during settlement and rollovers, and you will be responsible for the market movement during this period;

you may be restricted from making any Account Transactions until the end of the following business day; and

you may receive limited intraday reports of the activity that occurred on your Account.

You authorise us to accept all instructions given to us by your Attorney, whether orally or in writing, in relation to your Account. We shall not be obliged to make any enquiry of you or of any other person before acting on such instructions.

You ratify and accept full responsibility and liability for all instructions given to us by your Attorney (and for all Transactions that may be entered into as a result) and will indemnify us and keep us indemnified against any loss, damage or expense incurred by us as a result of us acting on such instructions. This indemnity shall be effective irrespective of the circumstances giving rise to such loss, damage or expense, and irrespective of any knowledge, acts or omissions of us in relation to any other account held by any other person or body (including your Attorney) with us. You further agree that this indemnity shall extend to loss, damage or expense incurred by us in reversing incorrect or erroneous instructions submitted by your Attorney that result in a Transaction that must, for our protection or any of our other clients or for the reasons of market integrity, be reversed.

CHAPTER J: GENERAL PROVISIONS

STRAIGHT THROUGH PROCESSING AND ELECTRONIC COMMUNICATIONS NETWORKS

Unless otherwise determined and stated "*in the terms agreed upon by mutual consent of the Parties*", we will transmit your Orders for execution directly to our liquidity providers on a Straight Through processing ('STP') basis or via our Electronic Communication Network ('ECN'). As an STP broker, we send orders directly from our clients to our liquidity providers. Sometimes STP brokers have just one liquidity provider, other times they have several. The more liquidity providers there are in the system, the better the fills for the clients. The fact that traders have access to the true market and can execute trades immediately without dealer intervention is what makes our Online Trading Platform STP. As an STP broker, we are compensated through the spread mark-ups we apply to the spread quotes provided by our liquidity providers. This is done by adding a small mark-up to the best 'Bid' and subtracting a small mark-down at the best 'Ask' of our liquidity provider(s). All our client orders are directly routed to our liquidity providers at the original spread quoted by those providers, while, as an STP broker, we earn our money from our own mark-ups.

In addition, in certain circumstances, we allow the Orders of our clients who register an 'ECN' account with us, to interact with other clients' Orders via our '*Electronic Communications Network (ECN)*'. In these circumstances, as an ECN broker, we provide a marketplace where all participants (certain of our clients) trade against each other by sending competing bids and offers into the system. Participants interact inside the system and get the best offers for their trades available at that time. All trading orders are matched between counter parties in real time. A small trading fee - commission - is always applied. This small trading fee - commission is the only revenue/profit we receive as an ECN broker. As an ECN broker, we are not making money on 'Bid/Ask' (spread) difference.

CONFLICTS OF INTEREST

You should be aware that when and where we, our Associates or other Persons or companies connected with us, arrange Transaction and/or Contracts with you, we may have an interest, relationship or arrangement that is material in relation to the Transaction and/or Contract concerned. Should such a conflict of interest arise we will seek to resolve such conflict in such a way as we believe is in your best interests in accordance with our conflicts of interest policy (as amended or extended from time to time) ("**Conflicts of Interest Policy**").

Specifically you hereby acknowledge and confirm that: (a) we may assign or transfer the execution of your Orders to our Affiliates, Associates and or other third parties, as we deem fit; (b) we may execute at the same time Orders by different clients that are opposite to one another; (c) we may establish business, including without limitation, trading relationships with other issuers of Financial Instruments and we may have a financial interest in such Financial Instruments; and (d) we may compensate and/or share our revenues from your activity with our Affiliates, Associates, partners and/or other similar parties performing marketing activities on our behalf. You hereby further acknowledge and agree that we also may compensate other clients who you have elected to follow and/or copy.

Full details of our Conflicts of Interest Policy are available on our Online Trading Facility. Our Conflicts of Interest Policy is a policy only, it is NOT part of these Terms and Conditions and is not intended to be contractually binding or impose or seek to impose any obligations on us which we would not otherwise have, but for the *Cyprus Investment Services and Activities and Regulated Markets Law of 2017 (Law 87 (I)/2017)*.

By accepting these Terms and Conditions, you expressly acknowledge and agree that we may transact such business without prior reference to any potential specific Conflict of Interest.

SPECIAL PROVISIONS FOR MANAGED ACCOUNTS, INTRODUCED ACCOUNTS OR THIRD PARTY VENDORS

If your Account(s) is/are being managed by a trading advisor or is introduced to us, you acknowledge and agree that we have no responsibilities, or obligations regarding any conduct, action, representation or statement of any such Persons in connection with your Account(s) or any Transactions or Contracts executed therein. You understand that we make no warranties nor representations concerning such trading advisor, that we shall not be responsible for any loss to you occasioned by the actions of such trading advisor and that we do not, by implication or otherwise, endorse or approve of the operating methods of such trading advisor. You further acknowledge and agree that: (a) any trading advisor acts as an independent intermediary for you; (b) unless you have been expressly advised otherwise in writing by us, no such Person is an affiliate, employee or agent of us; (c) no such Person is authorized to make any representations concerning us or the Services to be provided by us hereunder, except as may be expressly authorized in writing by us; (d) we do not bear any responsibility whatsoever for whatever agreements reached by and between you and any such trading advisor; (e) your agreement with any such trading advisor may result in additional costs, since we may be obliged to pay

commission fees or charges to such trading advisor; and (c) in those instances where such trading advisor is accepted by us in this capacity, such trading advisor may be authorized to have "View Only" access to one or more terminals, including terminal access through Internet browser, to electronically monitor the activities of the Accounts introduced by the trading advisor or Business Introducer in question to us.

You agree to waive any claims, which you may have against us, and to indemnify and hold us harmless for any actions or omissions of any such Business Introducer or any of its associated Persons.

RISK ACKNOWLEDGEMENTS

You acknowledge, recognize and understand that trading and investments in leveraged as well as non-leveraged Transactions and/or Contracts is: (a) highly speculative; (b) may involve an extreme degree of risk; and (c) is appropriate only for Persons who, if they trade on Margin, can assume a substantial risk of loss in excess of their Margin deposit.

You further acknowledge, recognize and understand that: (a) because of the low level of Margin normally required in highly leveraged transactions, price changes in the Underlying Instrument may result in significant losses, which losses may substantially exceed your investment and Margin deposit; (b) certain Market Conditions may make it difficult or impossible to execute Orders at a stipulated price; (c) when you directs us to enter into any Transaction and/or Contract, any profit or loss arising as a result of a fluctuation in the value of the Financial Instrument or the Underlying Instrument will be entirely for your account and risk; (d) we will, in general, not provide any advice to you; therefore, you agree not to hold us responsible for any losses incurred as a consequence of following any of our recommendations or suggestions or those of our employees, associates or representatives, unless we have exercised gross negligence in connection herewith; (e) we shall not conduct any continuous monitoring of the Transactions and/or Contracts entered into by you; accordingly, we cannot be held responsible for any Transactions and/or Contracts developing differently from what you might have presupposed and/or to your disadvantage; (f) guarantees of profit or freedom from loss are impossible in investment trading; (g) you have received no such guarantees or similar representations from us, nor from any of our Associates, from a Business Introducer, or representatives hereof or from any other entity with whom you are trading in a corporate or joint Account.

In light of the risks, you should undertake such transactions only if you understand the nature of the trading into which you are about to engage and the extent of your exposure to risk. Trading in leveraged Financial Instruments is not suitable for many members of the public and you should carefully consider whether such trading is appropriate for you in light of your experience, objectives, financial resources and other relevant circumstances. You acknowledge and confirm that you have been advised and understand the following factors concerning trading in leveraged Financial Instruments in the Over-the-Counter Market, in addition to those contained in the Risk Disclosure Statement posted on our Online Trading Facility.

General: When you enter into foreign currency contracts with us, you will be entering into a privately negotiated Transaction and/or Contract. The Transactions and/or Contracts in leveraged Financial Instruments you may be entering into via our Online Trading Facility are NOT executed on a regulated exchange and are not cleared on a central clearing organization. Consequently, any Transaction and/or Contract entered into via our Online Trading Facility will not be an obligation towards you of a clearinghouse as in the case of an exchange-traded contract and you will not be afforded the regulatory and financial protections offered by exchange-traded contracts. You are, therefore, obliged to perform your respective obligations under each Transaction and/or Contract in accordance with its terms. The terms of each Transaction and/or Contract are set out in these Terms and Conditions (which apply to every Transaction and/or Contract you enter into via our Online Trading Facility) and the Settlement/Trade Confirmation (which applies to each particular Transaction and/or Contract). Because none of these Transactions and/or Contracts is executed on a regulated exchange and/or cleared on a central clearinghouse, you will not be able to transfer your obligations under the Transaction and/or contract to another Person without our prior consent. In addition, you are not entitled to terminate or close out the Transaction and/or Contract prior to the expiration date for that Transaction and/or Contract. We may at our sole discretion, but are not obligated to quote you a price for an early close out of a Transaction and/or Contract, on request.

Effect of "Leverage" or "Gearing": Transactions in leveraged Financial Instruments carry a high degree of risk. The amount of Initial Margin may be small relative to the value of the Financial Instruments traded so that Transactions and/or Contracts are 'leveraged' or 'geared'. A relatively small market movement may have a proportionately larger impact on

the funds you have deposited or will have to deposit: this may work against you as well as for you. You may sustain a total loss of initial Margin funds and any additional funds deposited with us to maintain your position. If the Market moves against your position or Margin levels are increased, you may be called upon to pay substantial additional funds on short notice to maintain your position. You may sustain a total loss of initial Margin funds and any additional funds deposited with us to maintain your position. We reserve the right to liquidate positions without prior notice in the case of any Margin shortfall or if you fail to comply with a request for additional funds within the time prescribed.

Negative Balance Protection: Trading in leveraged Financial Instruments involves significant risk on the clients' invested capital. However, the Company follows a Negative Balance Protection policy, on a per account basis for retail clients only, which aims to ensure that clients' maximum losses from trading CFDs, including all related costs, are limited to the total funds in clients' trading account (i.e., no additional liability incurs). This should include any funds yet to be paid into clients' account due to net profits from the closure of open trades connected to the trading account.

The Company will not be liable for any margin call or losses that the Client may suffer, including but not limited to losses due to Stop-out Level, if the trading benefit is withdrawn for any reason pursuant to the applicable "Client Agreement - Terms and Conditions of Business". The Company ensures that losses will never exceed the total available funds across the retail Clients' Traders Trust trading portfolio (negative balance protection).

In addition, the client accepts that the Company reserves the right to immediately terminate the client's access to the trading platform(s) and recover any losses caused by the client, in the event that the Company determines, at its sole discretion, that the client voluntarily and/or involuntarily abuses the 'Negative Balance Protection' offered by the Company, by way of, but not limited to, hedging his/her exposure using his/her trading accounts, whether under the same profile or in connection with another client(s); and/or requesting a withdrawal of funds, notwithstanding any of the provisions of this Agreement, during a specific timeframe, in accordance with Termination clauses (CHAPTER N: TERMINATION OF CLIENT RELATIONSHIP AND LIQUIDATION OF ACCOUNTS) of this Agreement.

'CFD' and 'Spot Forex' Transactions: You will be obliged to meet the obligations arising under a 'CFD' or 'Spot Forex' Transaction and/or Contract in accordance with its terms. These Transactions and/or Contracts may be used to establish long or short positions in the Market. A 'Spot' Contract is a cash market Transaction to buy or sell immediately a specified quantity of a certain Financial Instrument, for settlement in no more than two days. The price terms and characteristics of 'CFD' or 'Spot Forex' are privately negotiated; accordingly, there is no centralized price source and the Transactions are not cleared through a clearinghouse. In general, the 'Over-The-Counter (OTC)' Market is unregulated, there are no limitations on daily price movements (unless imposed by a government or central bank authority), no rules to regulate valuation or settlement procedures, and no minimum financial requirements for Market participants. At the defined settlement dates for 'CFD' or 'Spot Forex' Contracts there will be a cash settlement (depending on the terms of the specified contract) which you may receive from or be obliged to pay. There will not be a physical delivery of Financial Instruments, unless prior arrangements are made with us beforehand. The size of the cash settlement payment is dependent on the position you have and the market movement in the time since the position was established.

Trading in Transactions in leveraged Financial Instruments is Speculative: Prices of leveraged Financial Instruments are highly volatile. Price movements of Transactions and/or Contracts in leveraged Financial Instruments are influenced by, among other things, interest rates, changes in balance of payments and trade, domestic and international rates of inflation, international trade restrictions and currency devaluations and revaluations. For example, there can be serious Market Disruptions if economic or political events locally or overseas affect the market. It is not possible to foresee all risks in advance.

Electronic Trading Facilities: Most Electronic Trading Facilities are supported by computer-based component systems for the Order-routing, execution, matching, registration or clearing of trades. As with all facilities and systems, they are vulnerable to temporary disruption or failure. Your ability to recover certain losses may be subject to limits on liability imposed by the system provider, the market, the clearing house and/or member firms. Such limits may vary.

Electronic Trading: You will trade in leveraged Financial Instruments through our Online Trading Facility. Trading on an electronic trading system may differ not only from trading in an 'open-outcry' Market, but also from trading on other electronic trading systems. If you undertake transactions on an electronic trading system, you will be exposed to risks associated with the system including the failure of hardware and software. The result of any system failure may be that your Order is either not executed according to your instructions, is not executed at all and a lack of capability to keep you informed continuously about your positions and fulfilment of the Margin requirements. Since we do not control signal power, its reception or routing via internet, configuration of your equipment or reliability of its connection, we cannot be

responsible for communication failures, distortions or delays when trading on-line via the Internet. We do, however, employ back-up systems and contingency plans to minimize the possibility of systems failure, and trading via telephone may be available in those instances where specifically agree, at our sole discretion, to do so.

Commissions and other charges: Before you begin to trade, you should obtain a clear explanation of all commission, fees, mark ups, markdowns and other charges for which you will be liable. These charges will affect your net profit (if any) or increase your loss.

Risk-reducing and entry Order strategies: The placing of certain Orders ('Stop-Loss' Orders or 'Stop-Limit' Orders, 'Entry Buy' Orders or 'Entry Sell' Orders) which are intended to limit risk, may not be effective because Market conditions may make it impossible to execute these Orders. Strategies using combinations of positions, such as 'spread' and 'straddle' positions may be just as risky as taking long or short positions. Clients' Orders will become Market Orders when the predetermined price level is reached, even if the price is considerably different from the original Order.

Suspension or restriction of trading and pricing relationships: Market conditions (e.g., liquidity) and/or the operation of the rules of certain Markets (e.g., the suspension of trading in any Financial Instrument or underlying Instrument because of price limits or 'circuit breakers') may increase the risk of loss by making it difficult or impossible to effect Transactions and/or Contracts or liquidate/offset positions. Furthermore, normal pricing relationships between the Underlying Instrument and the Financial Instrument traded may not exist. The absence of a price for an Underlying Instrument may make it difficult to judge 'fair' value.

Deposited cash and property: You should familiarize yourself with the protections accorded to money or other property you deposit for domestic and foreign Transactions and/or Contracts, particularly in the event of a firm insolvency or bankruptcy. The extent to which you may recover your money or property may be governed by specific legislation or local rules. In some jurisdictions, property, which has been specifically identifiable as your own, will be pro-rated in the same manner as cash for purposes of distribution in the event of a shortfall. The Transactions and/or Contracts you are entering into are NOT traded on an exchange. Therefore, under applicable bankruptcy laws, your funds may NOT receive the same protections as funds used to Margin or guarantee exchange-traded Transactions and/or contracts, which may receive a priority in bankruptcy. Since that same priority has NOT been given to funds used for Transactions and/or Contracts in the Over-the-Counter (OTC) Market, if we were to become insolvent and you have a claim for amounts deposited or profits earned on Transactions and/or Contracts with us your claim may not receive priority. Without priority, you are a general creditor and your claim will be paid, along with the claims of other general creditors, from any monies still available after priority claims are paid. In these circumstances, even the Client Funds, which we keep separated from our own operating funds, may NOT in all instances be safe from the claims of other general and priority creditors.

Currency risks: The profit or loss in Transactions and/or Contracts in leveraged Financial Instruments (whether they are traded in your own or in another jurisdiction) will be affected by fluctuations in currency rates where there is a need to convert from the currency denomination of the position taken to another currency.

Transactions in other jurisdictions: Transactions on markets in other jurisdictions, including Markets formally linked to a domestic market, may expose you to further, additional risk. Such markets may be subject to regulation, which may offer different or diminished investor protection. Before you trade, you should enquire about any rules relevant to your particular Transactions and/or Contracts. Your local regulatory authority will be unable to compel the enforcement of the rules of regulatory authorities or markets in other jurisdictions where your Transactions and/or Contracts have been effected. You should enquire about the types of redress available, both in your home jurisdiction and any other relevant jurisdictions before you start to trade.

Quoting and Execution Errors: Should quoting and/or execution errors occur, which may include, but are not limited to, a quote or trade which is not representative of fair Market prices, an erroneous price quote, such as, but not limited to, a wrong big figure quote or an erroneous quote due to failure of hardware, software or communication lines or systems and/or inaccurate external data feeds provided by third-party vendors, we will not be liable for the resulting errors in your Account balances. In addition, Orders must be placed allowing sufficient time to execute, as well as, sufficient time for the system to calculate necessary Margin requirements. The execution of Orders placed too close to prices, which would trigger other Orders (regardless of Order type) or a Margin call, cannot be guaranteed. We will not be liable for the resulting Margin call(s), resulting balance, and/or positions in your Account due to the system not having been allowed sufficient time to execute and/or calculate accordingly. The foregoing list is not meant to be exhaustive and in the event of a quoting or execution error, we reserve the right to make the necessary corrections or adjustments on the Accounts involved. Any dispute arising from such quoting or execution errors will be resolved by us in our sole and absolute discretion. You agree to indemnify and hold us harmless from any and all damages or liability as a result of the foregoing. No correspondence will be entered into.

Off-Exchange Transactions: The Transactions and/or Contracts you are entering into with us as counterparty are NOT traded on an exchange, but in the off-exchange/Over-the-Counter (OTC) Market. In general, the Over-The-Counter (OTC) Market is unregulated, there are no limitations on daily price movements (unless imposed by a government or central bank authority), no rules to regulate valuation or settlement procedures, and no minimum financial requirements for market participants. Accordingly, it may be difficult or impossible to liquidate an existing position, to assess the value, to determine a fair price or to assess the exposure to risk. For these reasons, these transactions may involve increased risks. Off-exchange Transactions may be less regulated or subject to a separate regulatory regime. Before you undertake such Transactions, you should familiarize yourself with applicable rules and attendant risks.

In addition to the foregoing, it is important that you be fully aware of the following points:

We reserve the right to close part, or all, of your open positions, in order to facilitate the charge of any fees or amounts due by you. Notwithstanding, you shall be liable for promptly paying such fee(s) to us, even if you suffer full loss of all Margin deposited by you.

We do NOT guarantee any Order. Placing 'stops' ("**Stops**"), regardless of the entry or closing designation, does not guarantee that the trade will be filled at the Order price. All 'Entry Stops' and 'Stops' will be filled, upon activation, at the first/best available market price, which may or may not match the requested Order price.

In the event that our liquidity providers are unable to provide liquidity to us, your Order may experience delays in execution or you may not be able to place Orders entirely. The size of the Order may also impede the speed at which the Order is executed. Keep in mind that it is necessary to enter any Order only once. Multiple entries for the same Order may inadvertently open unwanted positions.

While trading on our Online Trading Facility, you might encounter system errors that may result from hardware and/or software failures. The result of any system failure may be that your Order is either not executed according to your instructions, executing with account balance errors and discrepancies or not executed at all. We will not be liable for the resulting errors in your Account balances. We reserve the right to make the necessary corrections or adjustments on the Account(s) involved.

NO SYSTEM EXISTS THAT COULD ASSURE YOU THAT TRANSACTIONS IN LEVERAGED FINANCIAL INSTRUMENTS SHOULD BRING YOU GREAT BENEFITS, NOR IS IT POSSIBLE TO GUARANTEE, THAT YOUR TRANSACTIONS AND/OR CONTRACTS WILL YIELD FAVOURABLE RESULTS.

Even though the foreign currencies, commodities and indices markets are liquid as compared with other financial and exchange markets, the market conditions might at times render the execution of an Order or of a 'limit' on an Order (either 'Stop Loss' or 'Take Profit') at a stipulated price impossible.

Accordingly, even though the extent of the losses could be subjected to an agreed upon limit, the risk of incurring losses could be higher, and that loss could occur in a relatively short period of time.

It is important to make a distinction between '*Indicative Quotes*', which are displayed on charts and '*Dealable Quotes*' which are displayed on our Online Trading Facility. '*Indicative Quotes*' only give an indication of where the Market is. Because the derivatives products Markets are decentralized, meaning they lack a single central exchange where all transactions are conducted, each of our liquidity providers may quote slightly different prices. Therefore, any prices displayed on any chart made available by us or by a third party will only reflect '*Indicative Quotes*', and not necessarily actual '*Dealable Quotes*' in respect of which Transactions, Contracts or trades can be executed.

The risk information presented here does not reflect all of the risks as well as other important aspects intrinsic to Transactions and/or Contracts in leveraged Financial Instruments. Therefore, before starting to trade, you should learn the specifics of entering into such Transactions in detail or seek further professional advice.

INVESTOR COMPENSATION FUND

We are a member of the **Investor Compensation Fund** for clients of Cypriot Investment Firms (CIFs) and other Investment Firms (IFs) which are not credit institutions (the "**Fund**"). The object of the Fund is to secure the claims of the clients of regulated Investment Firms against the members of the Fund through the payment of compensation, in cases where the Investment firm is unable, due to its financial circumstances, and when no realistic prospect of improvement of such circumstances in the near future seems possible: (a) to return to its clients funds owed to them or funds which belong to them but are, directly or indirectly, held by the Investment Firm in the context of providing investment services to the said clients, or (b) to hand over to such clients the financial instruments which belong to them and by which the Investment Firm holds, manages or keeps on their account, including the case where the Investment Firm is responsible for the administrative management of the said financial instruments.

The payment of compensation by the Fund to the clients of its members is subject to the existence of a well-founded claim by such client(s) against the Investment Firm, arising from the investment services provided by the Investment Firm to the client in question. The protection scheme is only available to certain types of claimants and claims. Payments to eligible claimants under the Scheme will vary depending on the type of protected claim (*e.g.*, deposits or investments) the claimants hold with respect to the relevant institution

The Fund initiates the compensation payment procedure when at least one of the following preconditions is fulfilled: (a) the Cyprus Securities and Exchange Commission (CySEC) has determined that the Company is unable to meet such of its duties as arise from its clients' claims in connection with the covered investment services or the ancillary services it has provided, as long as such inability is directly related to its financial circumstances in respect of which no realistic prospect of improvement in the near future seems foreseeable, or (b) a Court has, on reasonable grounds directly related to the financial circumstances of the Investment Firm, issued a ruling which has the effect of suspending the Investors' ability to lodge claims against the Investment Firm.

Upon issuance of a decision by a Court or the Cyprus Securities and Exchange Commission (CySEC), on the commencement of the compensation payment process, the Fund publishes in at least three newspapers of national coverage, an invitation to the clients of the Investment Firm to make their claims against the Investment Firm, designating the procedure for the submission of the relevant applications, the deadline for their submission and their content.

To ascertain the claims of a claimant against an Investment Firm, as well as any counterclaims of the Investment Firm against the claimant, the books kept and the particulars issued by the Investment Firm as well as the supporting evidence produced by the claimant are taken into consideration. The amount of the compensation payable to each client is calculated in accordance with the legal and contractual terms governing the relation of the client with the Investment Firm, subject to the set of rules applied for the calculation of the claims between the client and the Investment Firm. The valuation of the Financial Instruments pertaining to the compensation payable to the client in accordance with the above paragraph will be carried out based on their value at the day of the publication of the Court ruling or the publication of the decision of the Cyprus Securities and Exchange Commission (CySEC). The calculation of the payable compensation will be derived from the sum of the total established claims of the client against the Investment Firm, arising from the Services provided by the Investment Firm and regardless of the number of accounts of which it is beneficiary, the currency and place of offering the investment services.

Payments under the Scheme in respect of investments are subject to a maximum payment to any eligible investor of EUR 20.000, -; insofar as the amount of the claim exceeds the amount of EUR 20.000,- the claimant will only be entitled to receive a maximum amount equivalent to EUR 20.000,-.

CHAPTER N: TERMINATION OF CLIENT RELATIONSHIP AND LIQUIDATION OF ACCOUNTS

TERMINATION OF CLIENT RELATIONSHIP

Without prejudice to any other provisions of the Agreement and/or any agreements by and between us, including, without limitation, these Terms and Conditions, in particular, but without limitation, those pertaining to Events of Default, our client relationship under this Agreement shall remain in force until terminated by either Party.

Unless required by Applicable Laws, Rules and/or Regulations either Party may terminate this Agreement (and the relationship between us) by giving seven (7) calendar days' written notice of termination to the other.

We may terminate this Agreement with immediate effect and without prior notice being required, however, if you fail to observe or perform any provision of the Agreement and/or any agreements by and between us, including, without limitation, these Terms and Conditions, or in case of an Event of Default, other than in the case of Force Majeure.

EFFECTS OF TERMINATION OF CLIENT RELATIONSHIP

Upon terminating the Agreement and/or any agreements by and between us, including, without limitation, these Terms and Conditions, all amounts payable by you to us will become immediately due and payable including (but without limitation): (a) all outstanding fees, charges and commissions; (b) any dealing expenses incurred by terminating this Agreement; and (c) (c) any losses and expenses realized in closing out any Transaction or Contract, or settling or concluding outstanding obligations incurred by us on your behalf.

On termination, we shall complete all Transactions and/or Contracts that are already entered into or under execution and these Terms and Conditions shall continue to bind both parties in relation to such Transactions and/or Contracts. We

shall be entitled to deduct all amounts due to us before transferring any credit balances on any Account(s) to you and we shall be entitled to postpone such transferring until any and all Transactions and/or Contracts between you and us are closed. Furthermore, we shall be entitled to require you to pay any charges incurred in transferring your investments.

Termination shall not affect then outstanding rights and obligations (in particular, without limitation, relating to the **Indemnities** and **Limitation of Liability Clauses** and the **Miscellaneous** and **Governing Law Clauses**) and Transactions and/or contracts which shall continue to be governed by this Agreement and the particular clauses agreed upon by and between you and us in relation to such Transactions and/or Contracts, until all obligations have been fully performed.

In the event that you involve us, directly or indirectly, in any type of fraud, we reserve the right, at our sole discretion and without prejudice to any other rights we may have under the Agreement and/or any agreements by and between us, including, without limitation, these Terms and Conditions, to reverse all previous

Transactions and/or Contracts, which would or could place our interests and/or any of our (other) clients' interests at risk.

IN THE EVENT OF DEATH

In the event of the client's death, any person(s) purporting to be the client's legal personal representative(s) or surviving joint account holder must provide us with formal notice of the client's death in a form acceptable to us, including but not limited to the provision of an original death certificate in physical form.

Sections 102.2 through and including 102.10 will only apply if the deceased client is a sole account holder (including where the client is the sole surviving account holder following the earlier death of a joint account holder). In the event of death of a joint account holder (who is not the sole surviving joint account holder), the Client should refer to Section 102.1 above.

Upon the receipt and acceptance of the client's death certificate, we will treat the client's death as an Event of Default allowing the Company to exercise any of its rights under **Sections 98 through 99 of these Terms and Conditions**, including, but not limited to, closing any and all Open Positions within the client's Account; the Agreement will continue to bind the deceased client's estate until terminated by the deceased client's legal personal representative or by us in accordance with these Terms and Conditions.

Where we provide the deceased client with an execution-only dealing service, we will be under no obligation to assume management of the deceased client's Account following his or her death.

Where we provide the deceased client with an advisory service, we will terminate such service upon receipt of the client's death certificate; we will **NOT** provide investment advice to the client's legal personal representative.

Where we provide the deceased client with a Discretionary Investment Management Service, we (but shall **NOT** be obliged) continue to manage the client's investment in accordance with the investment mandate established for the Account until such time as we are provided with instructions to the contrary by the client's proven legal personal representative(s); we may make such decision in our sole and absolute discretion.

A person shall not be proven to be the deceased client's legal personal representative until we receive a grant of representation for the client's estate; once we receive the grant of representation for the client's estate, we will carry out the written instructions from the client's legal personal representative(s); we will only accept instructions that aim to wind-down and/or close the Account; no registered asset may be sold until any re-registration process is completed and all fees, charges and expenses which may be owed by the client to us are accounted and paid for; where we have not received any instructions after six (6) months following receipt of the client's death certificate, we may (but shall not be obliged) re-register the deceased client's holdings into the name of its legal personal representative, re-materialize any electronic holdings and send such holdings in certificated form to the registered correspondence address for the deceased client's estate, subject to appropriate charges detailed from time to time in the Commission, Charges & Margin Schedule that is posted from time to time on our Online Trading Facility, as the same may be amended from time to time.

If the client's estate is too small to warrant a grant of representation, we may in our sole and absolute discretion, require any person(s) purporting to be the client's legal personal representative(s) to obtain a grant of representation or request an appropriate indemnity.

Any applicable charges, as detailed in the Commission, Charges & Margin Schedule that is posted from time to time on our Online Trading Facility, as the same may be amended from time to time, will still be charged until the Account is closed.

Notwithstanding anything in the Agreement, if the Agreement is not terminated within two years after the date of the client's death, we may take such action as we consider appropriate to close the client's Account; the client's estate or its legal personal representative(s) will be liable for all costs associated with us taking this action, or considering taking action, except to the extent that costs arise because of our negligence, wilful default or fraud.

GOVERNING LAW AND JURISDICTION

This Agreement shall be governed by and construed in accordance with Cyprus Law and, subject to the dispute resolution provisions set forth hereinafter, you irrevocably agree for our exclusive benefit that the courts of Cyprus are to have jurisdiction to settle any disputes which may arise out of or in connection with this Agreement and that accordingly any proceedings may be brought in such courts.

Nothing contained in this **Section 106 shall, however, limit our right to take proceedings against you or any Trader in any other court of competent jurisdiction, nor shall the taking of proceedings in one or more jurisdictions preclude the taking of proceedings in any other jurisdiction, whether concurrently or not, to the extent permitted by the law of such other jurisdiction.**

DISPUTE RESOLUTION

In the event of any dispute arising out of or in relation to the Agreement and/or any agreements by and between us, including, without limitation, these Terms and Conditions, the Parties must first use their respective bestendeavours to consult and negotiate with each other, in good faith and, recognizing their mutual interests, attempt to reach a just and equitable settlement of the dispute satisfactory to both Parties.

To such end the Parties must within seven (7) Business Days of a dispute arising convene a meeting between Persons nominated by each Party (the **"Appointed Persons"**) and other relevant members of management to attempt to resolve the dispute.

If the Appointed Persons agree upon a resolution or disposition of the dispute, they will sign a statement setting out the terms of the resolution or disposition and the Parties will ensure that the resolution or disposition is fully and promptly carried out.

If the Appointed Persons do not reach such a settlement within a further period of fourteen (14) Business Days (the **"Final Negotiation Date"**), the dispute will be managed in accordance with provisions set forth hereinafter.

In the event of any dispute arising out of or in relation to the Agreement and/or any agreements by and between us, including, without limitation, these Terms and Conditions, if the dispute is not resolved and/or be settled prior to the Final Negotiation Date, it shall upon the initiation of either Party be referred to binding arbitration to be conducted in accordance with Arbitration Rules of the *Cyprus International Commercial Arbitration Law 1987* (**"Arbitration Rules"**).

Each Party will have the right to appoint an arbitrator and the two arbitrators appointed by the Parties will appoint a third arbitrator in accordance with the Arbitration Rules; no Person shall be appointed as an arbitrator hereunder unless such Person is unrelated to either Party, is fluent in the English language and has experience in 'OTC Finance' matters.

The arbitration procedures, both written and oral, will, be conducted in English with the place of arbitration being Limassol, Cyprus.

The arbitral award shall be final and binding upon the Parties to this Agreement and the Parties to the arbitration agree to carry out such award without delay; any arbitral award made hereunder may be entered into a court of competent jurisdiction for execution thereof; the cost, fees and expenses of counsel to each Party, shall be subject to equitable allocation by the arbitrators.

If there is a conflict between the Arbitration Rules and the provisions of the Agreement and/or any agreements by and between us, including, without limitation, these Terms and Conditions, the provisions of the Agreement and/or any agreements by and between us, including, without limitation, these Terms and Conditions, shall prevail.

INTERIM RELIEF - INJUNCTIVE RELIEF

Nothing provided in **Sections 106 through 107 shall prevent either Party from applying to court for interim or injunctive relief.**

Each party acknowledges that a breach of the provisions of this Agreement may cause the other Party irreparable injury and damage and, therefore, any such breach may be enjoined through injunctive proceedings, in addition to any other rights and remedies that may be available to either Party as per applicable law or in equity.

CONTROLLING LANGUAGE

This Agreement and all other agreements and/or documents executed on the basis of this Agreement shall be written and interpreted in English. In the event that this Agreement has been translated into a language other than English, it is the English version that will be prevailing and controlling in the event of any discrepancy.

FORCE MAJEURE

We shall not be in breach of this Agreement and shall not be liable or have responsibility of any kind for any loss or damage incurred by you as a result of any total or partial failure, interruption or delay in the performance of this Agreement occasioned by any act of God, fire, war, civil commotion, labour dispute, act of government, state, governmental or supranational body or authority, or any investment exchange and/or clearing house, inability to communicate with market makers for whatever reason, failure of any computer dealing system, any other breakdown or failure of transmission in communication facilities of whatever nature, between us and you or any other third-party whatsoever, or any other reason (whether or not similar in kind to any of the above) beyond our reasonable control (a ***“Force Majeure Event”***).

You acknowledge and agree that we may in its reasonable opinion, determine that a Force Majeure Event exists or is about to occur; as the case may be, we will inform you as soon as reasonably practicable if it so determines.

NO WAIVER

No failure on the part of any Party to exercise, and no delay on its part in exercising, any right or remedy under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy preclude any other or further exercise thereof or the exercise of any other right or remedy.

The failure of a Party at any time to require performance of any provision of this Agreement shall not in any way affect the validity of this Agreement or any part thereof, nor the right of that Party to require performance of that provision or any other provision of this Agreement in the future.

All waivers by us must be in writing.

CUMULATIVE REMEDIES

All remedies available to either Party for breach of this Agreement are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.

Except as expressly otherwise provided herein, this Agreement is being entered into solely for the benefit of the Parties hereto and their successors and permitted assigns and intended and/or designated Affiliates.

It may not be relied upon by any other Person as the basis for any claim or dispute against one or both Parties, or as evidence of the rights or obligations of one or both Parties hereto with respect to such other Person.

To the extent that any term or provision of this Agreement grants rights to or contemplates, permits, or requires performance of and/or by any Affiliate of a Party, such Affiliate shall be considered to be an intended third party beneficiary of this Agreement and such Party shall cause such Affiliate to perform each and every of such obligations of such Party under this Agreement in accordance with the terms and conditions hereof.

You may cancel an Order at any time by providing notice to us unless and until the Order has been executed in whole or in part, only if the Order is an Entry Order. then we will treat your instruction to open the new position as an instruction to close the existing position to the extent of the size of the new position. If the new position is greater in size than the existing position, then the existing position will be closed in full and a new Rolling Spot Forex Contract will be opened in relation to the excess size of the new position.

SERVICES

Subject to you fulfilling your obligations under the Terms and Conditions, you may place Orders for CFD Contracts with us (either through our Online Trading Facility or via telephone), the subject of such contracts relating to any Underlying Instrument offered by us from time to time.

A CFD is a cash-settled contract, which seeks to confer similar economic benefits to an investment in the relevant Underlying Instrument, without the usual costs and rights associated with an investment in the Underlying Instrument, although other costs and rights will apply to a CFD. Therefore, unless otherwise agreed in writing by and between you and us, you acknowledge and agree that you will not be entitled to delivery of, or be required to deliver, the Underlying Instrument to which a CFD Contract relates, nor will you acquire any interest in the relevant Underlying Instrument or be entitled to receive dividends or any equivalent thereof, to exercise voting rights, to receive any rights pursuant to any rights or bonus issue, or to participate in any placing or open offer by virtue of a CFD Contract where the Underlying Instrument is a Security. The payment of any dividend or occurrence of any rights or bonus issue, placing, open offer or take-over in respect of a CFD Contract where the Underlying Instrument is a Security, shall be dealt with in accordance with these Terms and Conditions

CAPACITY

When you place an Order for a CFD Contract with us (either through our Online Trading Facility or via telephone), your Order is transmitted to those of our Retail Service Providers, which can deliver, according to our Order Execution Policy, best execution of the transmitted Orders.

For such Orders, we are currently connected electronically to a wide range of Retail Service Providers (RSP) who are market makers and liquidity providers in a range of instrument types. When an Order is received, our system will request a price from all Retail Service Providers offering a price in the requested security and will select the best price returned and complete the order following confirmation from you. In the event that an order cannot be executed online it will be routed to a dealer who will negotiate the price with a market maker by telephone with reference to any available electronically displayed prices.

OBTAINING A QUOTE AND ORDER PLACEMENT

At any time that you wish to obtain a quote or place an Order to open a CFD Contract, you may contact us (or an Associated Company or Agent where so instructed by us) in accordance with the provisions of **Section 5.3 of this SCHEDULE B**.

Where requested by you, we may, but shall not be obliged to, provide quotes or receive Orders outside the normal hours of trading.

Depending on the Underlying Instrument, you may contact us (or an Associated Company or Agent where so instructed by us) to obtain a quote, place an Order or otherwise place Orders for CFD Contracts with us, subject to the following:

where you wish to deal in a CFD the subject of which is not a Security, you may obtain an Indicative Quote, place an Order or otherwise trade electronically through our Online Trading Facility in accordance with **Sections 45 through 48 of the main body of the Terms and Conditions**.

Where you wish to deal in a CFD, the subject of which is a Security, you may request an Indicative Quote, place an Order or otherwise trade electronically through our Online Trading Facility or by telephoning our office. Orders by telephone will only be accepted by us during specified hours which will be notified to you from time to time. You may only place an Order via telephone by talking directly to an Account Service Manager of the Company. No messages may be left, and no Orders may be placed using an answering machine or voice-mail phone facilities via facsimile.

We may stipulate a minimum and/or maximum Contract Quantity per Underlying Instrument from time to time and we reserve the right to vary such stipulations according to Market conditions.

OPENING CFD CONTRACTS

A CFD Contract will only be formed when the Client provides an instruction to place an Order on a Quote provided by us (either through our Online Trading Facility or via telephone), and we execute the instruction in accordance with **Sections 45 through 48 of the main body of the Terms and Conditions and Section 5 of this SCHEDULE B.**

You may cancel an Order at any time by providing notice to us, unless and until the Order has been executed in whole or in part, only if the Order is an Entry Order. If an Order has been executed in whole or in part, it will not be possible for you to cancel the Order to the extent that the Order has been executed. If an Order is a Market Order, it will not be possible for you to cancel the Order at any time.

For Accounts where you are using the Non-Hedging Setting, if you:

give an Order to open a long position in relation to an Underlying Instrument on an Account where at that time you already have on that Account a short position in relation to the same Underlying Instrument; or

give an Order to open a short position in relation to an Underlying Instrument where you already have a long position in relation to the same Underlying Instrument;

then we will treat your instruction to open the new position as an instruction to close the existing position to the extent of the size of the new position. If the new position is greater in size than the existing position, then the existing position will be closed in full and a new CFD Contract will be opened in relation to the excess size of the new position.

For Accounts where you are using the Hedging Setting, if you:

then we will **NOT** treat your instruction to open the new position as an instruction to close an existing position.

CLOSING CFD CONTRACTS

On any Business Day on which you wish to close any CFD Contract (whether in whole or in part) you may give a Closing Notice to us specifying the CFD Contract you wish to close, the related Underlying Instrument, the Contract Quantity and the Closing Date.

Following receipt of a Closing Notice, we shall inform you of the Closing Price of the CFD Contract and the CFD Contract will be closed at that price on the Closing Date. Any amounts payable by you to us as a result of the closed CFD Contract are immediately due and payable on the Closing Date. Conversely, any amounts payable by us to you as a result of the closed CFD Contract are immediately due and payable on the Closing Date, and will be deposited into your Account.

CFD CONTRACTS ON SECURITIES

Section 8 of this SCHEDULE B will apply to you when you enter into a CFD Contract, the subject of which is formed by Securities.

If any Securities become subject to possible adjustments as the result of any of the events set out in **Section 8.3 of this SCHEDULE B** below, we shall determine the appropriate adjustment, if any, to be made to the current Contract Value or Contract Quantity of any related CFD Contract to account for the dilutive or concentrative effect as necessary to preserve the economic equivalent of the CFD Contract prior to the relevant event or to reflect the effect of the event on the relevant Underlying Instrument. Such adjustments will be effective as of the date determined by us.

The events to which **Section 8.2 of this SCHEDULE B** refers may include, without limitation, the declaration by the issuer of the Securities of the terms of any of the following:

a subdivision, consolidation or reclassification of shares, or a free distribution of shares to existing holders by way of bonus, capitalisation or similar issue;

distribution to existing holders of the underlying Securities of additional shares, other share capital or Securities granting the right to payment of dividends and/or proceeds of liquidation of the issuer, or Securities, rights or warrants granting the right to a distribution of shares or to purchase, subscribe, or receive shares, in any case for payment (in cash or otherwise) at less than the prevailing Market price per share; or

any event in respect of the Securities analogous to any of the foregoing events or otherwise having a dilutive or concentrative effect on the Market value of the Security.

If at any time a Merger Event as defined below occurs or a Take-over Offer is made in respect of any relevant Underlying Instrument where the subject is a Security, then on or after the date of the Merger Event or at any time prior to the Closing Date of such Take-over Offer, a **“Calculation Adjustment”** (as defined herein) may be made. Calculation Adjustment means that we shall either:

make such adjustment to the exercise, settlement, payment or any other terms of the CFD Contract as we may determine is appropriate to account for the economic effect, if any, on the Security as a result of such Merger Event or Take-over Offer (provided that no adjustments will be made to account solely for changes in volatility) expected dividends, stock loan rate or liquidity relevant to the Security, which may, but need not, be determined by reference to adjustment(s) made in respect of such Merger Event or Take-over Offer by an exchange to futures or options on the relevant Security traded on such exchange; or determine the effective date of that adjustment (if any).

If we determine that no adjustment could be made under **Section 8.4 of this SCHEDULE B** above which would produce a commercially reasonable result, we will issue a Closing Notice to you. The date of such notice will be the Closing Date. The Closing Price shall be such price as is notified by us to you. For the purposes of this clause, Merger Event means in respect of any CFD the subject of which is formed by Securities:

any reclassification or change of the Security that results in a transfer of or an irrevocable commitment to transfer all outstanding Securities of the same class as the Underlying Instrument to another entity or person, whether by consolidation, amalgamation, merger or binding share exchange of the issuer of the relevant Security with or into another entity or person (other than a consolidation, amalgamation, merger or binding share exchange in which such issuer is the continuing entity and which does not result in a reclassification or change of all such outstanding Securities);

Take-over Offer of the outstanding Securities of the issuer that results in a transfer of or an irrevocable commitment to transfer all of them (other than those Securities already owned or controlled by such other entity or person); or

consolidation, amalgamation, merger or binding share exchange of the issuer of the relevant Securities or its subsidiaries with or into another entity in which the issuer is the continuing entity and which does not result in a reclassification or change of all such Securities but results in the outstanding Securities (other than those Securities owned or controlled by such other entity) immediately prior to such event collectively representing less than 50% of the outstanding Securities immediately following such event.

If all or substantially all the shares or assets of an issuer of Securities (such issuer and Securities being the subject of an existing CFD Contract) are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority, entity or instrumentality thereof, the day on which such event occurs, or is declared shall be the Closing Date. The Closing Price shall be such price as is notified by the Company to the Client.

CFD CONTRACTS ON FINANCIAL INSTRUMENTS

Section 9 of this SCHEDULE B shall govern the relationship between you and us when you enter into a CFD Contract which has a Financial Instrument as the basis of the contract.

If at any time trading on an exchange or market is suspended which affects the Underlying Instrument to a CFD Contract, the Company the value of the CFD Contract shall be calculated with reference to the last traded price before the time of suspension, or the Closing Price if no trading in that Financial Instrument is undertaken during the Business Day on which a suspension occurs. In the event that the aforesaid suspension continues for five (5) consecutive Business Days, we (you and us) may agree, in good faith, a Closing Date and a value of the CFD Contract. In the absence of such agreement, the CFD Contract shall remain open in accordance with the provisions of this clause until such time as the aforesaid suspension is lifted or the CFD Contract is otherwise closed. During the term of a CFD Contract, in the event that the Underlying Instrument is suspended, we shall be entitled to terminate the CFD Contract at its discretion and/or to amend or vary any Margin Requirements and Margin rates for that CFD Contract.

If a Regulated Market on which a Financial Instrument is principally traded announces that pursuant to the rules of such Market the relevant Financial Instruments have ceased, or will cease to be listed, traded or publicly quoted on the Market for any reason (other than a Merger Event or Take-over Offer) and are not immediately re-listed, re-traded or re-quoted on a Market or quotation system located in the same country as the Market (or where the Market is within the European Union, in any member state of the European Union), or already so issued, quoted or traded, and you have a CFD Contract relating to the affected Financial instrument, the day on which such an event occurs, or (if earlier) is announced, shall be the Closing Date. The Closing Price will be such price as notified by us to you.

TRANSACTION COSTS AND ROLLOVER

In respect of Transactions in certain CFD Contracts, we may charge you a Transaction Charge and/or a Finance Charge. Transaction Charges will be specified in the Commission, Charges & Margin Schedule that is posted from time to time on our Online Trading Facility, as the same may be amended from time to time. Transaction Charges and Finance Charges will be deducted from your Account following such times delineated in **Section 10.7 of this SCHEDULE B** below. The Client must have sufficient money on its Account at the relevant time to meet such obligations.

Where you place an Order for a CFD Contracts with us (either through our Online Trading Facility or via telephone) and the Underlying Instrument of that contract is a Security, we may charge you a Transaction Charge to open and close the CFD Contract. Details behind the Transaction Charge, including its calculation, are located in the Commission, Charges & Margin Schedule that is posted from time to time on our Online Trading Facility, as the same may be amended from time to time.

A CFD Contract is generally considered an open-ended contract with no definitive closing date unless the Underlying Instrument, the Market or the Company otherwise requires. Both open ended and fixed-term CFD Contracts will roll over each trading day until you instruct us to close the open CFD Contract (and we accept and act on that instruction) or the definitive close date is reached. The Contract Value of an open CFD Contract is adjusted with reference to the Market price of the Underlying Instrument each trading day that a CFD Contract remains open.

For the purposes of determining and fulfilling your obligations with respect to a CFD Contract, including but not limited to your Margin obligations under these Terms and Conditions, a rolling CFD Contract shall be deemed to be a single CFD Contract which is initiated when the CFD Contract is first opened and closed when you instruct us to close the open CFD Contract (and we accept and act on that instruction) or the definitive close date is reached.

We reserve the right to discontinue a rolling market facility at any time. We will notify you as soon as is reasonably practicable should we decide for whatever reason to discontinue the rolling market facility.

Where you enter into a CFD Contract with us and you roll that CFD Contract from one day to the next, the we may charge you a Finance Charge relative to that Transaction, which:

- may vary between Underlying Instruments;
- may depend on the Contract Quantity; and
- may be subject to change from time to time.

The Finance Charge may be positive or negative, meaning that you will either owe money to us or receive money from us each night a CFD Contract is rolled over. Details about the Finance Charge may be communicated to you through a variety of means including but not limited to notification via our Online Trading Facility, telephone, our Website(s), and/or the Commission, Charges & Margin Schedule that is posted from time to time on our Online Trading Facility, as the same may be amended from time to time.

Depending on the Underlying Instrument, you may incur the Finance Charge at different times. Unless you:

close a CFD Contract (the Underlying Instrument of such contract being anything other than a Security) before 17:00 EST, we will automatically roll over such open CFD Contracts on your Account to the following Business Day, and subsequently charge you the relevant Finance Charge; or

close a CFD Contract (the Underlying Instrument of such contract being a Security) before the close of the Market where the Underlying Instrument is traded, we will automatically roll over such open CFD Contracts on your Account to the following Business Day, and subsequently charge you the relevant Finance Charge.

Where you open a CFD Contract and the Underlying Instrument of such CFD Contract is an oil future, you acknowledge that such CFD Contract is a fixed term contract. This means that the contract will have a definitive close date, which will be notified to you via our Online Trading Facility, our Website(s) or any other means available to us under these Terms and Conditions. If you fail to close such CFD Contract before the definitive close date, we will automatically close that CFD Contract. Following a request by you, we may, but we are not obliged to, reopen that CFD Contract on the following Business Day subject to the relevant Finance Charge.

ACCOUNT STATEMENTS

Section 47 of the main body of the Terms and Conditions will not apply to you for your Transactions in CFDs where the Underlying Instrument of the contract is a Security. Rather, we will make available to you an Account Statement on a daily basis which will be e-mailed to you. Account Statements shall, in the absence of Manifest Error or grossly obvious inaccuracies, be conclusive and binding on you, unless you notify us of your rejection in writing within three (3) Business Days of dispatch of the Account Statement to you, or if we notify you of an error in the Account Statement within the same period.

Where you don't open, hold or close a CFD position (where the Underlying Instrument of the contract is a Security) in a given day, no Account Statement will be generated for that day.

PAYMENT, WITHDRAWAL AND SET-OFF

Sections 59 and 65 of the main body of the Terms and Conditions shall not apply to you when you enter into Transactions in CFDs where the Underlying Instrument is a Security. Rather, for the purposes of trading in such CFDs, we offer our clients multi-currency accounts. In that regard, you acknowledge and agree to the following:

all funds transferred into your Account (by either you or us) will remain in the currency of transfer unless we accept alternative instructions from you. Where we accept such alternative instructions, we will convert such funds into the currency of your choice;

all payments from your Account will be made in the currency of the payment obligation, unless we (you and us) otherwise agree. Where you do not hold the relevant currency for payment and we (you and us) do not agree to convert all or a portion of your funds to meet the payment obligation, we will charge your

Account with a floating debit in the amount and currency of the relevant payment obligation; we will not remove any funds or force the currency conversion. The floating debit will accrue interest at the relevant rate prescribed in the Commission, Charges & Margin Schedule that is posted from time to time on our Online Trading Facility, as the same may be amended from time to time. It is your responsibility to extinguish this obligation by either asking us to convert available

funds, or to transfer sufficient funds in the relevant currency. Until you undertake such action, we will continue to charge interest. Where you have such floating debit balances on your Account, we will not allow you to enter into Transactions with your available funds in excess of the net balance (available funds less floating debit obligations at our elected rate of exchange).

The provisions of this **Section 12 of this SCHEDULE B** do not restrict our right of set-off at **Section 72 of the main body of the Terms and Conditions** or where otherwise provided under the Terms and Conditions. You should be aware that we can exercise our right of set-off at any time and for any reason irrespective of the provisions of this **Section 12 of this SCHEDULE B**. You are, therefore, urged to settle all floating debits as soon as possible.

MARGIN

We may apply assets held by us or by our Nominee on your behalf as Margin, which may be used by you to conduct Margined Transactions in CFD Contracts where the Underlying Instrument of such contract is a Security.

Where we or our Nominee hold(s) bonds or Equities on your behalf, we shall rate the value of such Equities and bonds that we choose to accept as consideration for Margin in our sole and absolute discretion on a daily basis following the close of Markets. When rating such bonds and Equities, we use a percentage rating (as determined by us in our sole and absolute discretion) to value the securities held. The cumulative valuation is then added to your Account as usable Margin, which can be viewed by you in the Secure Access Website and/or on our Online Trading Facility (where available). Because such Margin is tied to non-cash collateral that is subject to market movements, you expressly acknowledge and agree that the usable Margin derived from such non-cash collateral will fluctuate based on market movements from time to time.

SCHEDULE C: BUSINESS TERMS FOR EQUITIES

SCOPE

This **SCHEDULE C** supplements and amends the Terms and Conditions as expressly provided below. In the event of any conflict or inconsistency between the Terms and Conditions and this **SCHEDULE C** the provisions in this **SCHEDULE C** shall prevail. You acknowledge and agree that, by subscribing to these Terms and Conditions in the manner set forth in **Sections 7 and 8 of the Terms and Conditions, you will be bound by the provisions of this SCHEDULE C.**

Sections 2 through and including Section 15 of this SCHEDULE C together with the main body of the Terms and Conditions govern the relationship between you and us, when you enter into a Transaction relating to 'Equities' (defined below), the Order for which is placed on a quote provided by us (either through our Online Trading Facility or via telephone).

DEFINITIONS

Words or phrases defined in the main body of the Terms and Conditions shall be assigned the same meaning in this **SCHEDULE C** unless otherwise defined.

In this **SCHEDULE C**, the following words and phrases shall, unless the context otherwise requires, have the following meanings and may be used in the singular or plural as appropriate:

"AGM", when used in this **SCHEDULE C**, unless the context requires otherwise, shall mean an annual general meeting of shareholders;

"EGM", when used in this **SCHEDULE C**, unless the context requires otherwise, shall mean an extraordinary general meeting;

"Limit Order(s)", when used in this **SCHEDULE C**, unless the context requires otherwise, shall mean an order to buy or sell a financial instrument at its specified price limit or better, and for a specified size;

"Market Best Order(s)", when used in this **SCHEDULE C**, unless the context requires otherwise, shall mean an order to buy or sell shares at the best price available at the time that the order is placed;

"Short Sales", when used in this **SCHEDULE C**, unless the context requires otherwise, shall mean a transaction in which the client sells investments which it does not own at the time of the sale; and

"Stop Orders", when used in this **SCHEDULE C**, unless the context requires otherwise, shall mean an order to buy or sell a share once the price of that share reaches a specified price (which is known as the stop price).

RISKS

We have set out a general description of the nature and risks associated with the products and investments we offer in our '**General Risk Disclosure**', which summarises the key risks involved in investing with us and in entering into and closing Transactions via our Online Trading Facility and in our '**Risk Disclosures for Financial Statements & Investment Services**', which discloses certain risks and other significant aspects involved in dealing in certain derivative financial instruments via our Online Trading Facility. A copy of our '**General Risk Disclosure**' and of our '**Risk Disclosures for Financial Statements & Investment Services**' is posted from time to time on our Online Trading Facility, as the same may be amended from time to time. You should carefully and diligently review this information before trading under these Terms and Conditions.

MARGIN

TTCM Traders Trust Capital Markets Limited, is a Cyprus Investment Firm incorporated under the laws of Cyprus, which has its principal place of business at 3 Thalia Street, Office Number 310-318, 3rd Floor, 3011, Limassol, Cyprus, and registered with the Registrar of Companies in Nicosia under number: HE 250591. 'TTCM Traders Trust Capital Markets Limited' is regulated as a Cyprus Investment Firm ('CIF') by the Cyprus Securities and Exchange Commission ('CySEC') under license number 107/09. 'TTCM Traders Trust Capital Markets Limited' operates in accordance with the Markets in Financial Instruments Directive ('MiFID II') of the European Union.

We do not provide for the trading of Equities by Margin; therefore, all Equities Transactions must be paid for in full with readily available funds in your Account, and any Equities sold must be available for delivery by the settlement date.

DEALINGS IN EQUITIES

Section 43 of the main body of the Terms and Conditions shall not apply to you when you deal in Equities. Rather, where you wish to deal in Equities, you may request an Indicative Quote, place an Order or otherwise trade electronically through our Online Trading Facility or by telephoning our office. Orders by telephone will only be accepted by us during specified hours which will be notified to you from time to time. You may only place an Order via telephone by talking directly to an Account Service Manager of the Company. No messages may be left, and no Orders may be placed using an answering machine or voice-mail phone facilities via facsimile.

We will treat each Order you place for Equities as an offer to purchase the Equities subject to these Terms and Conditions. We may, in our reasonable discretion:

refuse to accept any Order or instruction from you;

accept your Order subject to certain conditions; or

acting reasonably, refuse to proceed with an Order that we have accepted. If we do this, we will try to notify you, subject to Applicable Laws, Rules and Regulations.

Once accepted by us, you cannot amend or cancel your Order, unless, before the execution of a particular Order, you receive confirmation from us of any amendment or cancellation of the Order.

When you place an Order by telephone, our representative will ordinarily (but will not be obliged to) repeat your instructions back to you to confirm the terms of your Order prior to us accepting such Order. It is your responsibility to check that the terms of the Order are correct even where our representative did not repeat your instructions. Where we do not repeat your instructions, you should ask our representative to do so. The terms of the Order accepted by us will be those either repeated back to you, subject to any amendments you may notify to our representative, or the instructions reasonably understood by our representative, where no instructions were repeated.

When you place an Order on our online Trading Facility, no contract has been created until the Online Trading Facility lists that the Order has been acknowledged, is in working process, or was accepted. If such acknowledgements are not clear within a reasonable time after submitting an Order, you should contact us to check if the Order has been received and accepted.

You acknowledge and accept that:

if we incur additional reasonable expenses (examples of which include, but are not limited to, premiums and discounts) when carrying out your Order and we are unable to contact you to discuss about these after reasonable efforts to do so, we may proceed to execute your Order and incur those expenses which will then be payable by you;

there may be a delay in the execution of an Order because all Orders are executed strictly by reference to time of receipt. In particular, an Order received when a relevant exchange is closed will not be executed until after it next re-opens. We will present that Order for execution when the exchange next reopens or, if a large number of Orders have been received while the Market is closed, as soon as reasonably practicable after the exchange next reopens.

Demand for our Services may fluctuate and whilst we will use all reasonable endeavours to meet increased demand, we cannot accept responsibility for any actual or potential financial loss (including, for the avoidance of doubt, loss caused by market movements) that may arise if you are unable to contact us to place an Order by any of our current dealing methods, except where such inability is caused by our gross negligence, fraud or wilful default.

Orders may be placed as Market Orders to buy or sell as soon as possible at the price obtainable in the Market, or on selected products as Limit and Stop Orders to trade when the price reaches a pre-defined level. Limit Orders to buy and Stop Orders to sell must be placed below the current Market price, and Limit Orders to sell and Stop Orders to buy must be placed above the current Market price. If the bid price for sell orders or ask price for buy orders is reached, the Order will be filled as soon as possible at the price obtainable in the Market. Limit and Stop Orders are executed consistent with our Order Execution Policy and are not guaranteed to be executable at the specified price or amount, unless explicitly stated by us for the specific Order. Limit Orders, Stop Orders and Market Best Orders shall be subject to the following terms:

we will try to execute Limit Orders, Stop Orders and Market Best Orders as soon as practicable, but market conditions can affect the time it takes to execute such orders and all orders are executed in due turn; we cannot guarantee that a Limit Order or a Stop Order will be executed even if the limit or stop price is reached; we do not accept any liability for any actual or potential loss you may suffer if there is a delay in execution;

we may, but are not required to, cancel a pending Order if you place a Limit Order or Stop Order for an Equity in respect of which trading is suspended or has a Corporate Action before execution;

Market conditions may result in the execution of a Stop Order being at a price above or below the stop price;

if you place a Stop Order that is higher than the normal market size and the price at which it is to be executed is significantly different from the stop price, we may still proceed to execute the Order; and

we may publish your Limit Order if it relates to shares admitted to trading on a Regulated Market and that Order cannot be immediately executed under prevailing market conditions, unless you expressly instruct otherwise.

PAYMENT, WITHDRAWAL AND SET-OFF

Sections 67.8, 73.1.c and 73.2.d of the main body of the Terms and Conditions shall not apply to you when you enter into Transactions in Equities (other than U.S. Equities); rather, for the purposes of trading in Equities (other than U.S. Equities), we offers our customers multi-currency accounts; in that regard, you acknowledge and agree to the following:

all funds transferred into your Account (by either you or by us) will be remain in the currency of transfer unless we accept alternative instructions from you; where we accept alternative instructions, we will convert such funds into the currency of your choice;

all payments from your Account will be made in the currency of the payment obligation, unless we (you and us) otherwise agree; where you do not hold the relevant currency for payment and we (you and us) do not agree to convert all or a portion of your funds to meet the payment obligation, we will charge your Account with a floating debit in the amount and currency of the relevant payment obligation; we will not remove any funds or force the currency conversion; the floating debit will accrue interest at the relevant rate prescribed in the Commission, Charges & Margin Schedule that is posted from time to time on our Online Trading Facility, as the same may be amended from time to time; it is your responsibility to extinguish this obligation by either asking us to convert available funds, or to transfer sufficient funds in the relevant currency; until you take such action, we will continue to charge interest; where you have such floating debit balances on your Account, we will not allow you to enter into Transactions with your available funds in excess of the net balance (available funds less floating debit obligations at our selected rate of exchange).

The provisions of this **Section 6.1 of this Schedule D** do not restrict our right of set-off at **Section 72 of the main body of the Terms and Conditions** or any other rights of set-off otherwise permitted by the Terms and Conditions; you should be aware that we can exercise our right of set-off at any time and for any reason irrespective of the provisions of this **Section 6.1 of Schedule D**; you are, therefore, urged to settle all floating debits as soon as possible.

Sections 59 and 65 of the main body of the Terms and Conditions shall apply to you when you enter into Transactions in U.S. Equities; however, we will only allow you to designate your Base Currency in United States Dollars.

SHORT SELLING

We will not accept instructions for Short Sales.

EXECUTION VIA THIRD PARTIES

We may, at our reasonable discretion, arrange for a Transaction to be effected with or through a third party. We will not be liable to you for any act or omission of any such third party, except where you have acted negligently, fraudulently or in wilful default in relation to the appointment of such third party.

Trades placed by us on your behalf in Markets outside of Cyprus may be executed via a third party and as such are subject to their service levels; as a result, late reported trades can be booked to your Account at any time prior to the start of the next trading day; it is possible that an Order that has been confirmed as cancelled or as expired may be subject to a late reported fill; you should contact us Company if you have any doubt as to the status of a particular Transaction.

SETTLEMENT

By settlement is meant payment and delivery related to an Equities Transaction; settlement dates vary by Market; you should inform yourself of the relevant settlement date for each Transaction prior to submitting an Order; we may provide such information upon request.

Depending on the product and Market, we may lengthen or shorten the standard settlement dates; where permitted by the Market, we (you and us) may agree to lengthen or shorten the settlement dates pertaining to your Transactions.

You are responsible for paying for each Transaction we execute for you, whether by payment of the purchase price, delivery of the relevant assets, or otherwise as the relevant Market requires; except as otherwise agreed, you must pay for any investments we purchase for you on or before the settlement date.

Investments held in custody for you will be used to settle your sale transactions; otherwise, in respect of all sale transactions, you:

promise to us that, at the time of placing an Order to sell, you own the relevant investments; and

will immediately arrange for delivery to us of the certificates and transfer forms signed by the shareholder for such investments, at the latest by the contracted settlement date, otherwise payment to you may be delayed.

When you purchase Equities, you only obtain unconditional title of right to the Equities, provided that the final payment to us is made on or before the settlement date.

Delivery or payment by the counterparty to any Transaction we place or executes as your Agent will be your responsibility; our obligation to deliver assets to you or to account to you or any other person acting on your behalf for the proceeds of sale of any assets is conditional on the receipt by us of the relevant assets or sale proceeds from the counterparty to the Transaction.

We will not be responsible and will not be liable to compensation to you if and when a counterparty fails to settle a Transaction; the only exception to this is when we specifically agrees with you in writing that we will assume the risk of a counterparty failing to settle a trade; any such exceptional agreement will be on a case-by-case basis (*i.e.* it will be limited to the particular Transaction at the time and must not be interpreted as giving rise to any kind of promise, understanding, assurance or belief that we will agree to accept any similar risk in relation to any other trade at any time in the future).

There may be circumstances beyond our control, which may prevent us from settling Transactions into which you have entered or which we have entered into on your behalf; this may occur, for example, where the counterparty to the

TTCM Traders Trust Capital Markets Limited, is a Cyprus Investment Firm incorporated under the laws of Cyprus, which has its principal place of business at 3 Thalia Street, Office Number 310-318, 3rd Floor, 3011, Limassol, Cyprus, and registered with the Registrar of Companies in Nicosia under number: HE 250591. 'TTCM Traders Trust Capital Markets Limited' is regulated as a Cyprus Investment Firm ('CIF') by the Cyprus Securities and Exchange Commission ('CySEC') under license number 107/09. 'TTCM Traders Trust Capital Markets Limited' operates in accordance with the Markets in Financial Instruments Directive ('MiFID II') of the European Union.

Transaction defaults on its obligations (i.e. because it has become insolvent); if this occurs, we will use our reasonable endeavours to settle the trade for you; however, there may be circumstances where this is impossible; for example, if the trade is subject to the rules of an exchange or Market then we will have to act in compliance with those rules; where a trade has to be settled through a settlement system this may also mean that there is significant delay in settlement or that settlement does not occur; you will remain liable for your obligations in relation to every Transaction until settlement or other conclusion of the Transaction occurs.

The securities settlement conventions in certain Markets that apply to the holding of assets or settlement of Transactions for you may result in a delay before proceeds of sale are received for you, or title to a security passes to you.

TRADE CONFIRMATIONS AND ACCOUNT STATEMENTS

Section 47 of the main body of the Terms and Conditions will not apply to you with respect to your Equities Transactions; rather, we will provide Confirmations to you via e-mail following execution of each Transaction; you may opt to receive Confirmations through our online Trading Facility and/or Secure Access Website(s) rather than via e-mail; however, you must notify us in writing if you wish to receive confirmations in hard copy format (which may be subject to charges presented if listed in the Commission, Charges & Margin Schedule that is posted from time to time on our Online Trading Facility, as the same may be amended from time to time). Where you opt to do so, we will provide you with general Account information through our Online Trading Facility and/or Secure Access Website(s); Account information will usually include Confirmations with ticket numbers, purchase and sale rates, used Margin, amounts available for Margin trading, statements of profits and losses, current open and pending positions and any other information as required by the CySEC Rules; updated Account information will be available no more than twenty-four hours after any activity takes place on your Account; where you opt out of e-mail Confirmations in favour of Confirmations via our Online Trading Facility and/or Secure Access Website(s), you acknowledge and accept that posting of Confirmations within the Account information will be deemed delivery of Confirmations by us to you.

In any event, you may request Confirmations in hard copy format at any time; however, you must notify us in writing if you wish to receive confirmations in hard copy format (which may be subject to charges presented if listed in the Commission, Charges & Margin Schedule that is posted from time to time on our Online Trading Facility, as the same may be amended from time to time); confirmations shall, in the absence of Manifest Error or grossly obvious inaccuracies, be conclusive and binding on you, unless you notify us of your rejection in writing within three (3) Business Days of:

transmission of the Confirmation via e-mail, where you have not elected to receive trade Confirmations via our Online Trading Facility and/or Secure Access Website(s), or in hard copy;

our posting of the Confirmation on your online Account, where you have not elected to receive trade Confirmations via e-mail or in hard copy; or

dispatch of the Confirmation to you via post, where you have elected to receive Confirmations in hard copy, or if we notify you of an error in the Confirmation within the same period.

Section 47 of the main body of the Terms and Conditions will not apply to you with respect to your Equities Transactions; rather, we will make available to you an Account Statement on a monthly basis which will be posted to our Secure Access Website(s); Account Statements shall, in the absence of Manifest Error or grossly obvious inaccuracies, be conclusive and binding on you, unless you notify us of your rejection in writing within three (3) Business Days of:

our posting of the Account Statement on your online Account, where you have not elected to receive Account Statements in a Durable Medium; or

dispatch of the Account Statement to you in a Durable Medium, where you have elected to receive Account Statements in a Durable Medium, or if we notify you of an error in the Account Statement within the same period.

Where no activity occurs on your Account over the course of a month, no Account Statement will be generated for that month.

We offer you the possibility of receiving notifications, via e-mail, when an Account Statement is ready for viewing; this service is offered solely as a courtesy; we are under no obligation to provide such notifications even where you opt to

receive the Account Statement notification service; you should contact us to sign up for the service where interested; you may opt out of the Account Statement notification service at any time by notifying us in writing.

CUSTODY

Unless otherwise agreed between us (you and us), we will only hold investments for you in electronic format. Upon request by you, we will, where available, materialise an electronic holding into a paper certificate, in your name in respect of any of your investments held by our Nominee or otherwise purchased by us on your behalf, for delivery to you; the charges set out in the Commission, Charges & Margin Schedule that is posted from time to time on our Online Trading Facility, as the same may be amended from time to time will apply to the production of certificates for you; the safekeeping and delivery of all investments held by you in certificated form shall be at your sole and exclusive risk.

Any investments held on your behalf may be pooled with those investments of other customers; this means that your entitlement may not be individually identifiable on the relevant company register, by separate certificates or electronic records and, in the event of an un-reconciled shortfall caused by the default of a custodian, you may share proportionately in that shortfall.

CORPORATE ACTIONS

Where an instruction is given to us in respect of an Equity for which a Corporate Action is imminent, we may decline to accept your instructions or refuse to execute a Transaction on the basis of your instructions.

Where (in respect of an Equity held by us for your account or deliverable to us for your account) any Corporate Actions occur, we shall not be obliged to inform you of the Corporate Action or undertake any action, even if you specifically instruct us, unless we expressly consent in writing; if we inform you of a Corporate Action and you inform us within such period as we may specify that you wish to exercise any rights arising out of Corporate Actions and provided there are sufficient cleared funds in your Account(s), we will use reasonable endeavours to give effect to your instructions, but only on such terms as you advise us and as are acceptable to us; otherwise, we will take such action, or refrain from taking any action, as we may determine in our sole reasonable discretion.

We may, but shall not be obliged, to claim and receive dividends, interest payments and other income payments accruing to your investments; where a scrip dividend is offered and we agree to take action for your benefit, we will elect to take the cash alternative, unless the default option is for the issuance of shares.

Where a Corporate Action in respect of an investment held on your Account includes an offer for you to purchase additional shares and we inform you of this offer and you do not take up that offer, we may instruct the Nominee to take up that offer and purchase those shares; the Nominee is able to do this as it is the legal owner of the investment; when the Nominee then sells those shares, we will retain in full any profit that is made and we will be liable for any loss.

We shall not be obliged to, but we may arrange for you to receive the report, accounts and other information issued by a company, attend shareholders' meetings or unit holders' meetings and vote in person or to direct how our Nominee should vote on your behalf, unless you give us instructions to that effect; where you do this, we shall use reasonable endeavours, where possible, to make appropriate arrangements on the terms and within the timescales we may impose.

Where a Corporate Action results in a fractional entitlement to part of a share, then we will sell such fractional shares and credit your Account with a cash value that may be subject to a minimum charge for administration. Details of this charge are set out on the Commission, Charges & Margin Schedule that is posted from time to time on our Online Trading Facility, as the same may be amended from time to time.

Where Corporate Actions (such as partial redemptions) affect some, but not all Nominee investments held in a pooled account, we shall allocate the investments which are affected to relevant customers in such a fair and equitable manner as we reasonably consider to be appropriate.

If the terms of a Corporate Action require an election to be made on behalf of our entire Nominee holding in a company, we reserve the right not to offer an option to you, where it is reasonable to do so; we will use reasonable endeavours to give you an alternative option, but we cannot guarantee that this will match the options offered by the relevant company.

'TTCM Traders Trust Capital Markets Limited' operates in accordance with the Markets in Financial Instruments Directive ('MiFID II') of the European Union.

If we are notified of a class action or group litigation that is being proposed or taken concerning investments that our Nominee is holding, or has held, on your behalf, we are not required to inform you about this or otherwise act on that notification.

TAX

Where we receive a payment for a tax adjustment of a dividend relating to an investment we or our Nominee holds your benefit, we will credit your Account with the payment subject to a minimum charge for administration (if any), more details of which are set out on the Commission, Charges & Margin Schedule that is posted from time to time on our Online Trading Facility, as the same may be amended from time to time.

Where you seek to trade in U.S. Securities, you must complete a Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding (W8BEN Form), as provided by the United States Internal Revenue Service, before entering a Transaction for U.S. Securities on your Account; in these circumstances, we will require an original signed copy of the W8BEN Form.

In exceptional circumstances, we may allow you to trade U.S. Securities without holding the original W8BEN Form; however, we will only permit this exception where we hold a scanned copy of your W8BEN Form in anticipation of receiving your original signed W8BEN Form within two (2) weeks; any such exception must be agreed by us in writing.

TRANSFER OF SECURITIES

When opening an Account with us, you may request to transfer assets and/or Open Positions from a non-affiliated broker to us, by completing the Transfer Request Form; we will use reasonable efforts to effectuate the transfer of such Equities and/or open positions; however, because the transfer of Equities and/or open positions involves the participation of a non-affiliated broker, we cannot guarantee that every request will be fulfilled.

We reserve the right not to accept the transfer of any or all Equities and/or open positions from a non-affiliated broker; where we do accept such a transfer, we may charge you a fee in accordance with the then prevailing Commission, Charges & Margin Schedule that is posted from time to time on our Online Trading Facility, as the same may be amended from time to time; any fees imposed by the non-affiliated broker in connection with such a transfer will be charged to your Account; we are not responsible for informing you of the non-affiliated broker's fees; you should make yourself aware of such fees before requesting the transfer.

SCHEDULE D: BUSINESS TERMS FOR FUTURES AND OPTIONS

SCOPE

This **SCHEDULE D** supplements and amends the Terms and Conditions as expressly provided below. In the event of any conflict or inconsistency between the Terms and Conditions and this **SCHEDULE D** the provisions in this **Schedule D** shall prevail. You acknowledge and agree that, by subscribing to these Terms and Conditions in the manner set forth in **Sections 7 and 8 of the Terms and Conditions, you will be bound by the provisions of this SCHEDULE D.**

Sections 2 through and including Section 10 of this SCHEDULE D, together with the main body of the Terms and Conditions will govern the relationship between you and us, when you enter into a Transaction relating to '*Futures Contracts and Options Contracts*' (defined below) traded on a Market, the Order for which is placed on a quote provided by us (either through our Online Trading Facility or via telephone).

DEFINITIONS

Words or phrases defined in the main body of the Terms and Conditions shall be assigned the same meaning in this **SCHEDULE D**, unless otherwise defined.

In this **SCHEDULE D**, the following words and phrases shall, unless the context otherwise requires, have the following meanings and may be used in the singular or plural as appropriate:

“Options Contract(s)”, when used in this **SCHEDULE D**, unless the context requires otherwise, shall mean any Transaction in an option (an option being defined by the CySEC Rules), the Order for which is placed on a quote provided by us (either through our Online Trading Facility or via telephone);

“Futures Contract(s)”, when used in this **SCHEDULE D**, unless the context requires otherwise, shall mean any Transaction in a future (a future being defined by the CySEC Rules), the Order for which is placed on a quote provided by us (either through our Online Trading Facility or via telephone).

SERVICES

Subject to you fulfilling your obligations under the Terms and Conditions, we may accept Orders from you to enter into Transactions relating to ‘Futures Contracts and Options Contracts’ traded on a Market (either through our Online Trading Facility or via telephone).

A Futures Contract involves the obligation to make, or to take, delivery of the Underlying Instrument of the contract at a future date, or in some cases to settle the position with cash; we offer the possibility to enter into cash settled Futures Contracts; therefore, unless otherwise agreed in writing between us (you and us), you acknowledge and agree that you will not be entitled to delivery of, or be required to deliver, the Underlying Instrument to which a Futures Contract relates, nor will you acquire any interest in the relevant Underlying Instrument during the life of the contract.

We may offer you the possibility to enter into an Options Contract involving an obligation to make, or to take, delivery of the Underlying Instrument of the contract at a future date and price, or in some cases to settle the position with cash; the obligation to make or to take delivery of the contract’s Underlying Instrument will only relate to instances where the Underlying Instrument is a Futures Contract or an Equity; in such instances, unless otherwise agreed in writing between us (you and us), you acknowledge and agree that you will not acquire any interest in the relevant Underlying Instrument or be entitled to receive dividends or any equivalent thereof, to exercise voting rights, to receive any rights pursuant to any rights or bonus issue, or to participate in any placing or open offer prior to the exercise of the Options Contract; where the Options Contract is for cash settlement, you acknowledge and agree that you will not be entitled to delivery of, or be required to deliver, the Underlying Instrument to which an Options Contract relates, nor will you acquire, or be entitled to acquire, any interest in the relevant Underlying Instrument, unless we (you and us) expressly otherwise agree in writing.

MARGIN

We reserve the right to require you to post and hold Margin in addition to the Margin required by the relevant exchange(s); such Margin requirements will be communicated to you from time to time.

We may apply assets held by us or by our Nominee on your behalf as Margin, which may be used by you to conduct Margined Transactions in either Futures Contracts or Options Contracts.

Where we or our Nominee holds bonds or Equities on your behalf, we shall rate the value of such Equities and bonds that we choose to accept as consideration for Margin in our sole and absolute discretion on a daily basis following the close of Markets; when rating such bonds and Equities, we use a percentage rating (as determined by us in our sole and absolute discretion) to value the securities held; the cumulative valuation is then added to your Account as usable Margin, which can be viewed by you in the Secure Access Website(s) and/or on our Online Trading Facility (where available); because such Margin is tied to non-cash collateral that is subject to market movements, you expressly acknowledges that the usable Margin derived from such non-cash collateral will fluctuate based on market movements from time to time.

PAYMENT, WITHDRAWAL AND SET-OFF

Sections 59 and 65 of the main body of the Terms and Conditions shall not apply to you when you enter into Transactions in Options Contracts or Futures Contracts; rather, for the purposes of trading in such Transactions, we offer our customers multi-currency accounts; in that regard, you acknowledge and agree to the following:

TTCM Traders Trust Capital Markets Limited, is a Cyprus Investment Firm incorporated under the laws of Cyprus, which has its principal place of business at 3 Thalia Street, Office Number 310-318, 3rd Floor, 3011, Limassol, Cyprus, and registered with the Registrar of Companies in Nicosia under number: HE 250591. ‘TTCM Traders Trust Capital Markets Limited’ is regulated as a Cyprus Investment Firm (‘CIF’) by the Cyprus Securities and Exchange Commission (‘CySEC’) under license number 107/09. ‘TTCM Traders Trust Capital Markets Limited’ operates in accordance with the Markets in Financial Instruments Directive (‘MiFID II’) of the European Union.

all funds transferred into your Account (either by us or by you) will remain in the currency of transfer unless we accept alternative instructions from you; where we accept such alternative instructions, we will convert such funds into the currency of your choice;

all payments from your Account will be made in the currency of the payment obligation, unless we (you and us) otherwise agree; where you do not hold the relevant currency for payment and we (you and us) do not agree to convert all or a portion of your funds to meet the payment obligation, we will charge your Account with a floating debit in the amount and currency of the relevant payment obligation; we will not remove any funds or force the currency conversion; the floating debit will accrue interest at the relevant rate prescribed in the Commission, Charges & Margin Schedule that is posted from time to time on our Online Trading Facility, as the same may be amended from time to time; it is your responsibility to extinguish this obligation by either asking us to convert available funds, or to transfer sufficient funds in the relevant currency; until you take such action, we will continue to charge interest; where you have such floating debit balances on your Account, we will not allow you to enter into Transactions with your available funds in excess of the net balance (available funds less floating debit obligations at the our elected rate of exchange).

the provisions of this **Section 5 of this SCHEDULE D** does not restrict our right of set-off at **Section 72 of the main body of the Terms and Conditions or any other rights to set-off as provided under the Terms and**

Conditions; you should be aware that we may exercise our right of set-off at any time and for any reason irrespective of the provisions of this **Section 5 of SCHEDULE D** of the Terms; you are, therefore, urged to settle all floating debits as soon as possible.

TRADING ARRANGEMENTS

You understand that Markets may from time to time sanction the making of contracts by us off-exchange in order to satisfy your Order, where there has been an error in the execution of your Order on-exchange; where a better price (an improvement) can be obtained, we may seek to secure and offer that improvement to you; where, in response to your Order, we have executed a buy or sell in accordance with your instruction in your Order to buy or, as the case may be, to sell, but have traded the wrong delivery/expiry month or wrong exercise price of the relevant contract, then we may in accordance with the Rules of any relevant Market offset any loss arising from that trade against any improvement achieved for you in the course of correctly satisfying your Order, thus offering you only the net improvement, if any.

Unless otherwise agreed in writing between us (you and us) or where the Rules of a Market provide otherwise, whenever any Transaction is entered into to close out any existing Transaction, then any obligations under both sets of Transactions shall automatically and immediately be terminated upon entering into the second Transaction, except for any settlement payment due in respect of such closed out Transactions.

Where the relevant Market or intermediate broker does not specify a particular Transaction when making a delivery or exercising a contract, we may allocate randomly or in a way which seems to it to be most equitable.

EXERCISE OF OPTIONS

You understand that Markets have established exercise cut-off times for the tender of instructions in relation to exercise of options and that options will become worthless in the event that you do not deliver instructions by such expiration time; you also acknowledges that we may establish exercise cut-off times which may be earlier than the exercise cut-off times established by the relevant Market and that you shall have no claims against us arising out of the fact that an option was not exercised as a direct result of our negligent failure to inform you of such own exercise cut-off time set by us in respect of the particular option.

Where by virtue of Market rules an option is exercised automatically under a back to back transaction which was entered into by us on your instructions, the corresponding Transaction will be deemed to have been automatically exercised at the same time.

CONTRACTS REQUIRING NON-CASH SETTLEMENT

With respect to Options Contracts requiring non-cash settlement, you shall make Securities deliverable by you available for settlement on or before the settlement date; where there are insufficient Securities in your Account and we proceed to settlement, we may buy the Securities required for delivery at a price we believe to be reasonable, charge your Account for the cost thereof, deliver the Securities to satisfy the delivery obligation, and credit your Account with the net proceeds thereof (after deduction of commission and other costs).

You will notify us of all relevant details required by us of your settlement agent in respect of Transactions which may be subject to Securities delivery obligations; you will procure that your settlement agent enters into such other documentation as may be necessary to ensure that the clearing and settlement of such Transactions takes effect without liability to us.

CLEARING AND GIVE UP ARRANGEMENTS

Unless otherwise agreed between us (you and us), we (you and us) as per **Section 9.2 of this SCHEDULE D**, we may clear all Transactions with another broker or dealer as specified by us.

You may request, but we shall not be obliged to comply, that we establish a give-up arrangement between you and another broker or dealer; where we agree to establish such a give-up arrangement, you authorise us to enter into and execute any International Uniform Give-Up Agreement on your behalf; where you become a party to such an International Give-Up Agreement, the provisions of the International Give-Up Agreement shall prevail over these Terms and Conditions (inclusive of this **SCHEDULE D**) in the event of any inconsistency.

In respect of every Transaction given up to be cleared by another broker or dealer as specified by you:

if such broker or dealer accepts the give-up, we shall (without prejudice to any claim we may have for commission or other payment) upon such acceptance have no obligation(s) to you for its performance; and/or

if such other broker or dealer declines to accept the give-up, we shall be entitled at our option and in our sole discretion either to confirm the Transaction with you or to liquidate it by such sale, purchase, disposal or other Transaction or cancellation as we may in our discretion determine, whether on the relevant Market or by private contract or any other feasible method (including us taking it over or transferring it to an Associated Company), and any balance resulting from such liquidation shall be promptly settled between us (you and us), but without prejudicing our rights under the Terms and Conditions (inclusive of this **SCHEDULE D**) or otherwise.

Subject to the Rules of any relevant Market, **Sections 9.4 and 9.5 of this SCHEDULE D** apply where there is a give-up agreement between you and a third party executing broker, and the reference number or mnemonic applicable to you is quoted by such executing broker when a Transaction is submitted to us for clearing; in acting as your clearing broker, we shall accept a Transaction given up to us for clearing only if we have agreed with you to clear Transactions of such a description and the acceptance thereof would not breach any position or other limits applicable to your Account with us; notwithstanding any provision contained in the relevant give-up agreement, if we accept such Transaction for clearing, such Transaction shall be binding and conclusive on you immediately on its acceptance for clearing by us whether or not the details of such Transaction have previously been confirmed to us by you; we shall not be liable to you for any losses, costs, expenses or damages arising from any discrepancy between details in your instructions to such executing broker and details of Transactions submitted to us for clearing; any dispute relating to a Transaction given up or attempted to be given up to us for clearing shall be determined under applicable arbitration rules of the relevant Market.

Subject to the Rules of any relevant Market, if a give-up agreement between you and a third party executing broker provides that the executing broker will invoice us directly for its commissions in relation to the execution of an Order, then we shall be entitled to rely on the details specified in any invoice presented to us by such executing broker and, notwithstanding that the amounts specified in the invoice may be incorrect, you shall fully reimburse us for any sum paid to the executing broker in respect of that invoice; we shall have no liability to you for any losses, costs, expenses or damages incurred or suffered by you as a result of an incorrect amount being specified in an invoice.
